The Ghosts of Alexandrapol Joseph Pasquarella, 2017-09-25 After his Armenian grandmother's funeral business owner and small time local author Joey Petrosian discovers her diary and is drawn into a haunting obsession to research and write about his grandparents horrific experiences as surviving victims of the Armenian genocide one of the darkest chapters of human history Delving into historical data and researching stories of his family history only carry him so far After reading an entry from his grandmother's diary from over forty years prior in which she mentioned chronicling in a notebook her and Joey's grandfather's personal and indepth experiences during the terrifying ordeal as children Joey begins a frantic search for the whereabouts of her lost notes Finding the highly revealing and valuable notebook would enable him to complete their story for all the world to read However after a long and exhausting search the notes are seemingly lost forever The search is fruitless and Joey's hopes and dreams of writing his unique and personal family story has come to a grinding halt Never one to ever give up hope he presses on with his search heading to Armenia for the one hundredth year commemoration of the start of the genocide to find some answers Will his trip overseas to the land of his ancestors help him seal the deal in telling the world his grandparents amazing story of tribulation

and survival And will it take a little ghostly persuasion to lead him to the truth A Country of Marriage Wendell Berry, 2013-03-01 First published in 1971 The Country of Marriage is Wendell Berry s fifth volume of poetry What he calls an expansive metaphor is a farmer s relationship to his land as the basic and central relation of humanity to creation Similarly marriage is the basic and central community tie it begins and stands for the relation we have to family and to the larger circles of human association And these relationships are in turn basic to and may stand for our relationship to God and to the sustaining mysteries and powers of creation Each of the thirty five poems in this collection is concerned with this metaphor The long sequence that is itself entitled The Country of Marriage perhaps the finest single work in the book is a grave moving and beautifully wrought love poem But the shorter lyrics have an equal grace and beauty writing that contains the exhilarating lucidity of mountain spring water And there are most notably several more poems about the Mad Farmer who advises us here to every day do something that won t compute Berry has here perfected a work that is immediately accessible but that becomes as we read it again always more satisfying reverberant with manifold meanings Wendell Berry Russell G.
