**Rational for Order Change:

In Year 3 of Go Math, SMILE Grade 2 teachers will teach Chapter 7 following Chapter 4 and Chapter 11 following Chapter 8 (based on teacher work team feedback). This allows time to intervene around these crucial skills prior to moving on to the next crucial skill. It also allows more calendar time for addition and subtraction.

Feedback on this change will be collected in the Spring 2017.

Because of our 30% mobility rate, the order of the units must remain consistent to reduce gaps and repetitions. While there is flexibility of pacing within units of study, all topics must be taught and assessed by semester's end.
