### Navigating in Care Link

When you log in to Care Link, several sets of navigation tools appear at the top of the page.

A) **Navigation Tabs:** Use these tabs to open different activities in Care Link. Each tab contains one or more related activities. For example, the Patient tab contains patient-specific activities. When you click a tab, the default activity for that tab opens.

B) **Activity Menu:** Use this menu to open the various activities that are contained in the selected navigation tab. For example, the Patient tab activity menu contains the Allergies and Chart Review activities.

- If there are more activities than can fit on the screen, hover over the ellipsis on the far right of the menu to see all the activities contained in the tab.
- You can also click to pin an activity so it appears first in the menu. If you pin multiple activities, they appear in the order that you pinned them. Click and drag pinned activities in the menu to change their order.

C) **Action Options:** Use these buttons, located on the top right of the screen, to see all of your available activities or to log out.
