Simpson, Sr., 2024-06-18 Having worked for almost fifty years of my life and ultimately retiring from two separate careers I found myself sitting at home obsessed with the question what do I do now I watched numerous daily programs on TV I knew I had to do something or risk the chance of just fading away During these thought processes I wondered back over my life day in and day out For some reason I found it difficult to believe that I had accomplished so much in my life yet so little I knew there was more to come After stumbling upon some memories which I thought were long forgotten I just knew I had to put those thoughts to paper before they were forgotten again Thus began three years of writing my life story so much so that some publishers recommended I write two books The motivation to write my life story was also a desire to leave my two children five grandchildren and now five great grandchildren some semblance of not only my life story but that of our immediate ancestors This book is my legacy in my own words the way I saw it for them and others who may be interested in the story of a little boy from Selma Alabama **Air Transportation** Alexander T. victim of the Son of Sam shares his search for the truth about who really tried to kill him in this true crime story In 1976 a killer who called himself The Son of Sam shot and killed a half dozen people and wounded as many more in New York City During his crime spree the madman left bizarre letters mocking the police and promising more deaths After months of terrorizing the city while garnering front page headlines and international attention a man named David Berkowitz was arrested He confessed to the shootings claiming to be obeying a demon that resided in a dog belonging to his neighbor Sam Among the alleged victims was Carl Denaro On the night he was shot Denaro was hanging out with some friends at a bar when he met up with a woman named Rosemary Keenan The couple left the bar and went to Keenan's car for some privacy

However a few minutes later the windows of the car exploded as Denaro was shot in the head by an unseen assailant. Miraculously Denaro survived the attack. When Berkowitz was arrested he was charged with trying to kill Denaro. However there was a twist. Although he confessed to the other shootings after his conviction Berkowitz denied attacking Denaro. Now after years of research Denaro is convinced that Berkowitz was telling the truth and that someone else tried to kill him. In *The Son of Sam and Me* author Carl Denaro with co author Brian Whitney *The Supreme Gentleman Killer* reveals his search for the truth and his shocking conclusion regarding the real shooter's identity. Denaro also discusses his friendship and investigative partnership with Maury Terry the author of *The Ultimate Evil* which is considered the definitive case study on the theory that Berkowitz did not act alone.
