365 Answers about Human Resources for the Small Business Owner Mary B. Holihan,2006 This guide will serve as a reference for experienced small business owners and as a crash course for those who find themselves in a tough situation

Staffing the Contemporary Organization Donald L. Caruth,Gail D. Caruth,Stephanie S. Pane,2008-12-30

Few business functions are more important than putting people where they can do the most good Get it right and the business soars Get it wrong and the business pays dearly in reduced sales profits and productivity Staffing the Contemporary Organization provides a comprehensive treatment of staffing procedures policies techniques and problems It includes a number of human resources topics not usually covered in one volume HR planning legal aspects of staffing recruiting selecting performance appraisal career development and many others in an integrated system The method presented is a proven useful tool that managers and HR people can employ to build stronger more resilient organizations This thoroughly revised edition provides a comprehensive treatment of staffing procedures policies techniques and problems It covers areas newly developed since the last edition like recruiting via the Internet and new court decisions that clarify the scope and application of antidiscrimination laws in the workplace Among other topics it covers the following areas in detail Employment law Job analysis Recruiting and interviewing Selecting and selection tests Appraisals and employee development Administration Handling promotions demotions layoffs terminations etc Career planning Measuring the effectiveness of the HR function Staffing the authors contend must encompass the entire range of activities associated with planning for obtaining utilizing and developing human resources Suitable for business students as well as professionals this is the first book to present a systems view of the staffing function a view necessary to maximize the contribution of any company's most important asset its people

An Introduction to Healthcare Organizational Ethics Robert T. Hall, 2000-06-15 This is a lucid readable discussion of ethical questions in health care as they arise on the business or organizational level an effort to spell out an ethical perspective for healthcare organizations It will be of use to students in health services management programs health care professionals healthcare administrators and members of healthcare ethics committees Hall begins with the ethical analysis of decision making in the management of healthcare organizations and then addresses some of the questions of organizational ethics through an analysis of corporate social responsibility in for profit and not for profit organizations and of the problem of uncompensated care Later chapters take up patient development community relations diversity employee relations governmental relations regulatory compliance and medical records The author's analysis focuses on healthcare institutions as business organizations with many of the problems faced by corporate management in other fields but with the difference that health care holds a special place among human needs and has traditionally been viewed from an altruistic perspective He gives special attention to the new standards on organizational ethics promulgated by the Joint Commission on Accreditation of Healthcare Organizations and includes many case studies not only to illustrate the main points but also to direct the reader's attention to peripheral aspects that can complicate these issues

Rethinking Management Boris Kaehler, Jens Grundei, 2025-08-27 The concept of management is well established and very familiar to scholars and practitioners alike However it is also very generic with no agreed upon definition and no consistency in the demarcation between it and its sub concepts and other similar terms Building on an in depth analysis of literature this book

establishes a precise understanding of management and systematically integrates its sub concepts of organization governance strategic management human resource management leadership and organizational culture It thus provides a clear theoretical and conceptual framework helping researchers to theorize and practitioners to implement corporate management models

Globalization Economy and Society Jagdish Chander Mehta, 2014-01-01 Societies all over the world are experiencing the globalization of more and more aspects of life but accompanied by the contradictions of growing inequality within and between countries The debate on merits of globalization continues with one side argument that it raises living standards and the others that it worsens poverty and inequality Certainly economic globalization has led to increased wealth for many in some countries But it also led to shattering economic crisis collapse in standard of living widespread societal and ethnic conflicts social disintegration and greatly increased insecurity for disproportionately large part of the world population Indian Society is not an exception Under the impact of Globalisation our Indian society is facing a complex pattern of contradictory change The social political and cultural life is diversely influenced by it Even our ecology is getting influenced by the pressure of globalization process There is no uniform consensus among the scholars about the impact of globalization on Indian society This book analysis the trends towards globalization and focuses on the issues of education culture and sustainability as influenced by the process of globalization This book covers the articles and research papers written by the scholars on the issues of socio economic concerns and sustainability in India that have affected due to Liberalisation and Globalisation
