Skin Mo Hayder, 2011-02-08 A Jack Caffrey thriller from easily today's best writer of visceral and elemental horror, guaranteed to creep out even the strongest of heart. Booklist starred review. In her eerie and hair-raising thriller *Skin*, Mo Hayder trails her two unforgettable protagonists as they race to staunch a rising tide of blood in a sweltering port town. When the decomposing body of a young woman is found, the wounds on her wrists suggest an open and shut case of suicide. But Jack Caffrey is not so sure. Other apparent suicides are cropping up, and they all have a connection to Elf's Grotto, a nearly bottomless network of flooded quarries just outside the city. Caffrey begins to suspect a shadowy and sinister predator, someone or something that can disappear into darkness and slip into houses unseen. Working alongside Caffrey is rough and tough police diver Flea Marley, but while pursuing her investigation, she stumbles upon something far too close to home that no one—not even Caffrey—can help her face. *Skin* is a penetrating dissection of family, friendships, and the evil that can tear them apart or bind them together. Devious and disturbing, it introduces one of Hayder's most horrifying villains yet. Hayder is not a subdued writer. Her characters are almost as chilling as the horrors that they are investigating. The Times, London
