Simple Strategies for Teaching Children at Risk, K-5

Melissa Stormont, Cathy Newman Thomas, 2013-12-03. Easy to implement strategies teachers can use right now. Opinions differ on how to define students who are at risk. Most teachers agree that they are seeing more children hit academic roadblocks due to limited academic experiences, challenging environments, ADHD, or behavioral problems. Melissa Stormont and Cathy Thomas draw upon their in-school experiences to offer K-5 teachers practical tools for building relationships with these children. Readers will discover simple and easy to implement strategies for developing academic aptitude and social behavior as well as how to identify who is at risk for failure and why. Build positive teacher-student relationships and establish supportive groups among children. Incorporate technology supports and know when and how to involve professionals and families.

Servant Leadership in Action

Ken Blanchard, 2018-03-06. Edited by legendary business author Ken Blanchard and featuring contributions by authors like Simon Sinek, Bren Brown, Stephen M.R. Covey, and Marshall Goldsmith, this collection offers expert advice on how to implement an increasingly popular and highly effective approach to leadership. Servant leadership is the secret behind the success of some of the world's leading organizations. Succinctly put, serving leaders lead by serving their people, not by exalting themselves. Through the stories and reflections of leading businesspeople, bestselling authors, and spiritual leaders, this collection offers tools for implementing this proven but radical leadership model. The book is organized into three sections: What is Servant Leadership describes different aspects of servant leadership; Models of Servant Leadership focuses on people who have been identified as classic servant leaders; Putting Servant Leadership to Work features firsthand accounts of how servant leadership has been implemented in various organizations and the difference it has made in both results and human satisfaction.

H3 Leadership

Brad Lomenick, 2015-09-22. The patterns we cultivate shape the person we each become. Be Humble. Stay Hungry. Always Hustle. These powerful words describe the leader who is willing to work hard, get it done, and make sure it's not about him or her; the leader who knows that influence is about developing the right habits for success. Brad Lomenick, former president of Catalyst, shares his hard-earned insights from more than two decades of work alongside thought leaders such as Jim Collins and Malcolm Gladwell. Fortune 500 CEOs and start-up entrepreneurs operating within the framework of three core character qualities: humble, hungry, hustle. Lomenick identifies 20 essential leadership habits that help readers embody those qualities, including staying open and sharing the real you with others, owning your convictions, and sticking to your principles.

Intentional and Targeted Teaching Douglas Fisher, Nancy Frey, Stefani Arzonetti Hite, 2016-05-04

What is FIT Teaching? What is a FIT Teacher? The Framework for Intentional and Targeted Teaching or FIT Teaching is a research based field tested and experience honed process that captures the essentials of the best educational environments. In contrast to restrictive pedagogical prescriptions or formulas FIT Teaching empowers teachers to adapt the most effective planning instructional and assessment practices to their particular context in order to move their students learning from where it is now to where it should be. To be a FIT Teacher is to make a heroic commitment to learning not just to the learning of every student in the classroom but to the professional learning necessary to grow inspire and lead. This book introduces the powerful FIT Teaching Tool which harnesses the FIT Teaching approach and presents a detailed continuum of growth and leadership. It's a close up look at what intentional and targeting teaching is and what successful teachers do to:

- Plan with purpose
- Cultivate a learning climate
- Instruct with intention
- Assess with a system
- Impact student learning

Designed to foster discussion among educators about what they are doing in the classroom the FIT Teaching Tool can be used by teachers for self assessment by teacher peers for collegial feedback in professional learning communities by instructional coaches to focus on the skills teachers need both onstage and off and by school leaders to highlight their teachers strengths and value.
