Contemporary Urban Youth Culture in China Jing Sun, 2019-12-01 In *Contemporary Urban Youth Culture in China A Multiperspectival Cultural Studies of Internet Subcultures* Jing Sun explores contemporary Chinese urban youth culture through analyses of three Chinese Internet subcultural artifacts A Bloody Case of a Steamed Bun Cao Ni Ma and Du Fu Is Busy Using Douglas Kellner's 1995 multiperspectival cultural studies i.e. critical theory and critical media literacy as the theoretical framework and diagnostic critique and semiotics as the analytical method Sun examines three general themes resistance power relations and consumerism The power of multiperspectival cultural studies an interdisciplinary inquiry lies in its potentials to explore contemporary Chinese urban youth culture from multiple perspectives explore historical backgrounds and complexity of cultural artifacts to understand contradictions and trajectories of contemporary Chinese urban youth culture recognize alternative medias as a space for contemporary urban Chinese youth to express frustrations and dissatisfactions to challenge social inequalities and injustices and to create dreams and hopes for their future recognize that the intertextuality among cultural artifacts and subcultures creates possibilities for Chinese urban youth to invent more alternative media cultures that empower them to challenge dominations perform their identities and release their imagination for the future invite Chinese youth to be the change agents for the era but not to be imprisoned by the era and overcome misunderstanding misrepresentation or underrepresentation of contemporary Chinese urban youth cultural texts to promote linguistic and cultural diversity in a multicultural multilingual and multiracial world Sun argues that contemporary urban youth need to obtain critical media literacy to become the change agents in contemporary China They need to be the medium of cultural exchanges in the multicultural multilingual and multiracial world In order to best assist contemporary Chinese urban youth in expressing their voices portraying their hopes and performing their historical responsibilities as change agents Sun sincerely hopes more research will be done on the contemporary Chinese urban youth culture especially on its contradictions and trajectories with the intent to shed light on more richly textured nuanced and inspiring insights into the interconnection between contemporary Chinese urban youth and media power in an increasingly multicultural multilingual and multiracial world

Most Deadly: The Dark Legacy Urban Fantasy Series - Book Five M. A. Anderson, Reece Daniels and his team have always been able to overcome any life threatening paranormal situation Up until now Puddles of bloody slime are being found

across the city and Reece's team are doing all they can to track down the creatures responsible. Reptiles can produce one hundred babies at a time. Are there that many creatures lurking in the shadows of Los Angeles preying on the innocent? The situation becomes even more dire when Andre's brother Jacques arrives on the scene after disappearing several years ago and Reece is convinced he has something to do with the new spate of murders in their city. But chasing reptilian creatures isn't the only thing he has to worry about. Now a rogue vampire is on the loose feeding its bloodlust. A coincidence? The P.I. doesn't think so. With Jacques being back in town and the victims having no wounds on their bodies, it could very well be his handiwork. Time is running out for the Paranormal Private Investigator and his team. If they don't find the reptiles and the vampire ASAP, more people will die, including some of their own.

Africana Anthony Appiah, Henry Louis Gates (Jr.), 2005

Ninety years after W. E. B. Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica, Kwame Anthony Appiah and Henry Louis Gates Jr. realized his vision by publishing *Africana: The Encyclopedia of the African and African American Experience* in 1999. This new greatly expanded edition of the original work broadens the foundation provided by *Africana*. Including more than one million new words, *Africana* has been completely updated and revised. New entries on African kingdoms have been added; bibliographies now accompany most articles, and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded, transforming the set into the most authoritative research and scholarly reference set on the African experience ever created. More than 4,000 articles cover prominent individuals, events, trends, places, political movements, art forms, business and trade, religion, ethnic groups, organizations, and countries on both sides of the Atlantic. African American history and culture in the present-day United States receive a strong emphasis, but African American history and culture throughout the rest of the Americas and their origins in Africa itself have an equally strong presence. The articles that make up *Africana* cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean "Diddy" Combs. With entries ranging from the African ethnic groups to members of the Congressional Black Caucus, *Africana*, Second Edition, conveys the history and scope of cultural expression of people of African descent with unprecedented depth.

Encyclopedia of Hip Hop Literature Tarshia L. Stanley, 2008-12-30

Hip Hop literature, also known as urban fiction or street lit, is a type of writing evocative of the harsh realities of life in the inner city. Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction, autobiography, and poetry, Hip Hop literature is exerting the same kind of influence as Hip Hop music, fashion, and culture. Through more than 180 alphabetically arranged entries, this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts. Entries cite works for further reading, and a bibliography concludes the volume. Coverage includes authors, genres, and works as well as on the musical artists, fashion designers, directors, and other figures who make up the context of Hip Hop literature. Entries cite works for further reading, and the encyclopedia concludes with a selected general bibliography. Students in literature classes

will value this guide to an increasingly popular body of literature while students in social studies classes will welcome its illumination of American cultural diversity

Bulldozer Francesca Russello Ammon, 2016-01-01 The first history of the bulldozer and its transformation from military weapon to essential tool for creating the post World War II American landscape Although the decades following World War II stand out as an era of rapid growth and construction in the United States those years were equally significant for large scale destruction In order to clear space for new suburban tract housing an ambitious system of interstate highways and extensive urban renewal development wrecking companies demolished buildings while earthmoving contractors leveled land at an unprecedented pace and scale In this pioneering history Francesca Russello Ammon explores how postwar America came to equate this destruction with progress The bulldozer functioned as both the means and the metaphor for this work As the machine transformed from a wartime weapon into an instrument of postwar planning it helped realize a landscape altering culture of clearance In the hands of the military planners politicians engineers construction workers and even children s book authors the bulldozer became an American icon Yet social and environmental injustices emerged as clearance projects continued unabated This awareness spurred environmental preservationist and citizen participation efforts that have helped to slow though not entirely stop the momentum of the postwar bulldozer

The Urban Ethnography Reader Mitchell Duneier, Philip Kasinitz, Alexandra Murphy, 2014-01-16 Urban ethnography is the firsthand study of city life by investigators who immerse themselves in the worlds of the people about whom they write Since its inception in the early twentieth century this great tradition has helped define how we think about cities and city dwellers The past few decades have seen an extraordinary revival in the field as scholars and the public at large grapple with the increasingly complex and pressing issues that affect the ever changing American city from poverty to the immigrant experience the changing nature of social bonds to mass incarceration hyper segregation to gentrification As both a method of research and a form of literature urban ethnography has seen a notable and important resurgence This renewed interest demands a clear and comprehensive understanding of the history and development of the field to which this volume contributes by presenting a selection of past and present contributions to American urban ethnographic writing Beginning with an original introduction highlighting the origins practices and significance of the field editors Mitchell Duneier Philip Kasinitz and Alexandra Murphy guide the reader through the major and fascinating topics on which it has focused from the community public spaces family education work and recreation to social policy and the relationship between ethnographers and their subjects An indispensable guide The Urban Ethnography Reader provides an overview of how the discipline has grown and developed while offering students and scholars a selection of some of the finest social scientific writing on the life of the modern city
