Evans, 2013-11-21 The heart of the home is the kitchen It's where we gather it's where we feel a comfort this is the workshop of the cook We buy candles and oils to burn to replicate the warm delicious smells of baking pies and cookies but nothing is coming out of the kitchen that is so sad I worry for an age where we obsess about every morsel that goes in our stomachs how many calories have been consumed what's the vitamin fat mineral iron sugar etc etc etc content until there's no joy left only a sad scientist looking over our shoulders stressing us out Cookware is more important than what comes out of it We are human beings not foraging animals We have lost the art of social gathering of sharing a good piece of cake or a warm breakfast a hot dinner where everyone eats and discusses the day Everyday will present some form of drama or stress that's guaranteed let it go leave it behind and enjoy your family friends loved ones enjoy the meal enjoy life You only have so many days on this Earth make it count Cakes Men Like Benjamin Darling, 1992-04 In the 30s 40s and 50s food companies competed for housewives loyalty by giving away illustrated recipe booklets Decorated throughout with cheery color illustrations culled from the original pamphlets this compendium of the best and most incredible cake recipes of the era will amuse and instruct bakers everywhere Good Food Simply Prepared Joan Styrna, 2005-11 Good Food Simply Prepared is a different type of cookbook A collection of recipes from three generations of one family each chapter has a story depicting the home values and traditions that have influenced the style of food prepared as family members became assimilated into American culture Many of the recipes have been supplemented with an anecdote or story and all recipes have been tested for accuracy Various recipes have been tasted and critiqued by friends who enjoy good food It is with great pleasure that I share my recipes my stories and friends comments I hope you enjoy my creative endeavors and find inspiration to spark your own Once when I asked friends over for dinner they asked me to select a menu reflecting my heritage During that dinner the conversation centered on the intrigue of the history associated with family recipes and food traditions The exchange of stories that evening
