Reading Between The Lines Wendy Willow,2011-07-29 Have you ever wondered what it is like to be a Palm Reader Can they really see the future by looking at your hands Or do they just make it up Can they really look deep inside someone and know everything about that person Kind of gives you the shivers doesn t it *Reading between the lines - Leo Strauss and the history of early modern philosophy* Winfried

Schröder,2015-11-13 Since its publication in 1952 Leo Strauss s Persecution and the Art of Writing has stirred considerable controversy particularly among historians concerned with early modern philosophy On the one hand several scholars share his view that it would be inadequate to generally take at face value the explicit message of texts which were composed in an era in which severe sanctions were imposed on those who entertained deviating views Reading between the lines therefore seems to be the appropriate hermeneutical approach On the other hand the risks of such an interpretative maxim are more than obvious as it might come up to an unlimited license to ascribe heterodox doctrines to early modern philosophers whose manifest teachings were in harmony with the orthodox positions of their time The contributions to this volume both address these methodological issues and discuss paradigmatic cases of authors who might indeed be candidates for a Straussian reading between the lines Hobbes Spinoza and Bayle

Intersections between violence against children and violence against women: global research priorities World Health Organization,2024-03-12 There is growing global recognition of the intersections between violence against women and violence against children The current evidence shows intersections between intimate partner violence against women and violence against children by parents or caregivers but limited evidence is available on the links between other forms of violence against women and violence against children Both violence against women by their male intimate partners and violence against children by parents or caregivers are widespread globally This report describes the process used to determine the priorities for research on the intersections between violence against children and violence against women and the top 10 research questions identified
