Patricia H. Rushford,2005-09-01 Reeling from her father s death Angel Delaney is overcome with emotion While her family gathers to pay their last respects she can t help but think of her missing brother Luke As a private investigator she has often thought of trying to find him But it s been six years since his sudden and mysterious disappearance and Angel still has no substantial clues Then a close family friend is seriously wounded and evidence of criminal activity is uncovered Is Luke involved somehow Angel can t believe that her brother could be a criminal but her search to find the truth takes her on an adventure across state lines and into the lives of more than a few suspicious characters A story of suspense and intrigue As Good as Dead is the exciting and captivating conclusion to the Angel Delaney Mysteries Social Detective Academy Jeffrey E. Jessum,2022-05-09 A few years ago Johnny Multony transformed from not fitting into a socially savvy kid started the first ever social detective agency He was hired by other students in his school for help with common interpersonal dilemmas such as cliques dealing with disappointments bullying personal space friends body language and much more Now an opportunity of a lifetime Johnny Multony has opened the Social Detective Academy And YOU have been invited During your time at the Social Detective Academy you will learn some of the most important things a social detective needs to be aware of Learning these things will help you become a skilled social detective capable of helping others solve their social mysteries just like Johnny But even more than that you will learn the tools for becoming a social ninja capable of navigating some of the most complicated social mysteries that you might face in your own life The truth is that some of the best social detective training involves learning how to be more socially skilled yourself If you can effectively navigate your own social world you will be much more capable of helping others become successful in their own social journeys This is how Johnny s first students learned to become excellent social detectives themselves by practicing solving their own mysteries Throughout this book you will have the opportunity to test your skills by trying to solve social mysteries alongside some of Johnny s first students These mysteries came directly from these students personal lives and show how they used their social detective skills to make their own social lives better As you read through the chapters see if you can use the tools you are learning to identify social mysteries you might have in your own life Some of the ideas in this book are going to be pretty easy and straightforward You will probably understand them with very little effort But some of the things we will be talking about might seem a little more complicated at first If there is something that you don t quite get right away don t worry about it That is to be expected Just keep going and don t let it hold you back You can always come back to it later on If you don t fully understand something you will still be able to understand later things in the book In fact some of the things in this book will probably make even more

sense as you read later parts of the book so if something is not completely clear keep reading on and come back Johnny actually encourages his social detective students to come back and reread things even if they understood them the first time because rereading about important ideas can help you to have a deeper understanding Each chapter will also have a social detective concept summary at the end These summaries are there to help you organize the most important concepts in each chapter They serve as a good reference guide to come back to if you need to refresh your memory later on *Diary of a Social Detective* Jeffrey E. Jessum, 2011 Real Life Tales of Mystery Intrigue and Interpersonal Adventure Detective agencies come in many shapes and forms but never before has there been a one man social detective agency Johnny Multony transformed from a social misfit to a socially savvy kid starts the first ever social detective agency He is then hired by other students in his school for help with common interpersonal dilemmas such as cliques dealing with disappointments bullying personal space friends body language and much more Educate the Heart Jennifer Lee Quattrucci, 2019-08-21 In a world where children are rushed from place to place often on devices teachers need to create an environment where they are given time and allowed to focus to think to create and to learn This book provides over 100 screen free ideas and activities to help teachers of students in preK Grade 6 inspire authentic learning in their classroom Teachers will learn how to promote peace all day by empowering students to handle conflict through kindness They will see how effectively implementing collaborative work space can transform the classroom into a respectful learning community There are literature based lesson plans which cover a great variety of subjects and skills such as reading writing language arts mathematical discourse movement and cooking Teachers will find ways to engage students in collaborative work critical thinking skills and find out how to encourage innovative ways to solve problems through creativity with STEM challenges and meaningful curriculum based art projects Teachers will discover ways to build community with a growth mindset approach to classroom discipline The ideas and activities in this book are designed with the whole child in mind catering to providing the best possible environment and activities to allow students to feel valued and be nurtured in a way that inspires them to reach their true potential The Best in Children's Books Zena Sutherland, 1973 Reviews 1 400 books for children chosen as the best published during the years 1966 1972 *R.
