Good morning to the respected Principal, sir, teachers, mam, sweet juniors, and my dear colleagues.

Today is our farewell party, and it is the last day of school. Our school gave us precious memories that are truly priceless. The day when I first walked into the school premises is still fresh and new in my mind.

Jon Dada, 2015-10-23 This book presents contemporary and historical facts about Afghanistan and the American led war in that country The information presented here is based on field observations and analysis supported by my decades of worldwide professional experience While American contribution in education and development of former Afghanistan has been appreciated the atrocities committed during this war as well the animosities created among Afghans are the major focus of this Interpreter This war was created by Bush Cheney other 1% wealthy Americans and their Anglo Zionist comrades in order

to destabilize and control Islamic nations and make windfall profits in military contracts As usual the vast majority of Americans have been kept in the dark regarding the humongous human and financial costs of this war and the millions of new enemies created for America **The Seventy Years of My Life** Zunxian Wu,1992 **A Curious Student's Guide to the Book of Deuteronomy** Reuven Travis,2022-06-13 One of the most common phrases in the Torah is And the LORD spoke to Moses saying So many of the Torah s commandments are introduced in this way These words represent God speaking to Moses and instructing him what to repeat or teach to the Jewish people Yet this phrase is not found at all in Deuteronomy and this helps explain why this book is so very different from the other books of the Torah Deuteronomy is Moses s book It is the record of Moses s final speech to the Jewish people before his death But this leads to a very basic and very fundamental question Why are the words of man even a man as great as Moses part of God s holy Torah A very good question a powerful one indeed And while we may not come up with a good or satisfying answer this book examines and presents life lessons just as important as those found in any other biblical text *Winning Three Times* Jacobaris,2011-04-27 On May 9 1940 Adrie de Kievit is a carefree ten year old boy who lives with his parents Arie and Ko and his thirteen year old sister Willie in Yselmonde in the Netherlands The familys life is about to change drastically As planes soar low overhead with cannons firing at them a neighbor with access to a radio confirmed that the Dutch are now at war with the German Army This memoir offers a firsthand narrative of what it was like growing up under the backdrop of World War II While accented with many historical details *Winning Three Times* is a personal story of how the war and the German occupation affected Adrie his family their neighbors their city and the country From food hoarding to rationing and shortages *Winning Three Times* recounts with great detail surviving the war in a small down under the shadow of Rotterdam He tells of how his family coped with the hardships such as no gas no electricity no telephone and little outside communication This personal history communicates a story of both challenge and triumph Lyrics by Adonai J. Steven Murry,2024-02-02 Have you ever written someone a love song Or has someone ever written you a love song Imagine the songwriter saying Listen very carefully to the words and you will know what is in my heart Would you hang on to every word and every note Would you strive to understand a deeper meaning to the lover s message or would you just hear the noise Paying close attention is the idea behind maskil psalms Maskil means contemplation Out of the one hundred and fifty psalms there are thirteen psalms which are given this instruction by the psalmist As God often does these psalms teach lessons on several different levels as poetry as history as moral lessons as instruction for psychological health as testimonies of loving kindness *Lyrics by Adonai* is a study of the maskil psalms attributable to King David the sweet psalmist of Israel In order to carefully listen to the words these psalms have been arranged in chronological order and placed in the historical settings according to the events in David s life The reader can better understand the history by viewing the events through the lens of the psalm It is also the psalm which is clarified when the story is viewed through the eyes of history However the words of the contemplation psalms also speak to us across the

span of years and are not limited to the history of ancient Israel Through inspiration God shows us how to handle betrayal grief persecution and forgiveness Through the words of David s pen God sings to us a song of wisdom grace faith love and duty With a blend of poetic insight history contemporary application counseling and spiritual shepherding Lyrics by Adonai brings these lyrics to life Books Kids Will Sit Still For 3: A Read-Aloud Guide Judy Freeman,2006-04-30 A guide to captivating read alouds for grades K through 6 with tips on effective reading aloud storytelling and classroom and library activities It also includes references to related titles that help teachers and librarians plan effective programs and instill a love of books and reading as well as a bibliography of professional books **Resources in Education** ,1999 On Fire, Under Fire, or Fired Susan Enfield,Kristi Wilson,2025-03-01 On Fire Under Fire or Fired Superintendents in the Pandemic provides a unique view into the unprecedented challenges and transformative opportunities superintendents faced during and after the COVID 19 pandemic and examines the lessons that can be learned moving forward In their own words current and former superintendents reflect on their challenges and successes and share recommendations on how we can continue to learn from this historic moment and advance our public education system to serve all students Written by two veteran superintendents with decades of experience this book offers invaluable insights Dastardly Discourse Meg Gorzycki,2020-03-09 Screaming at the television compulsively firing off tart little tweets and blogging until we are blue these signal that we are feeling the effects of dastardly discourse We live in a world where people feel entitled to use words to hurt exploit and publicly degrade humanity We daily consume rhetoric that makes a mockery of decency and civility Leaders of key social institutions including government news media and religious organizations who are supposed to be role models of reasoned and compassionate communication are often the ones with the loudest lies and the hardest hate We can change the channel We can unplug We can even encourage others to do the same We may not do so however until we grasp what is fundamentally at risk in our current norms of communication Nasty words are just the tip of the dastardly discourse iceberg What lies beneath is a steady flow of propaganda that aims to control our personal narratives This book is about that propaganda the importance of owning our own narratives and improving our own rhetorical capital the ability to analyze and evaluate information for the sake of sustaining human dignity decency and civility **Left Behind: The Public Education Crisis in the United States** Paul Jalbert,2018-05-01 This book addresses the harmful influences that the cultural social economic political and ideological dimensions in current American society have upon the delivery of elementary secondary and university education It examines the effects of poverty funding at the local state and federal levels and racial and ethnic discrimination Arguing against the continuation of standardized testing an ill conceived methodology to measure the performance of children the author advocates more one on one teaching and evaluation He charges that students rights to education are not respected and in elementary and high school receive little in the way of instruction that translates into life skills and proposes what some of those skills should be A critique of the extreme ethnocentric approach to education in the

United States Left Behind advocates strong instruction in the Humanities and foreign languages and the establishment of education abroad as a permanent program in high school and university The author identifies Capitalism as the basic influence that in the form of employing business model constructs has slowly transformed our children into obedient consumers Physical Education has waned and become a major contributor to adolescent obesity Seeking to replace children's complacency with critical thinking instruction the author demonstrates how the corporate mass media occupy their minds He also fears the erosion of the profession of teaching by an online instruction frenzy The book explores the possibilities for a viable nation wide education institution in which decision making is in the hands of teachers parents and education experts instead of politicians and business people The remedies that could be taken up by ordinary people are accessible at the commonsense level what prevents change are the lack of political will and economic greed bolstered by the ideological power of the mass media
