Beginner's Survival & Prepping Manual Zani Sunshine, 2023-04-11 There are a lot of important things that school doesn't teach and individuals must have the initiative to seek out the information and learn themselves. Knowing basic survival skills and preparing for disaster is an absolute necessity that everyone should know. In the worst case scenario of not being prepared for a disaster, the consequences can be devastating. Everyone, including children, should know basic wilderness survival and how to respond to disasters. This manual teaches families how to survive in the wilderness and navigate through disasters. Everyone should strive to be a prepper. A prepper is someone who believes in preparing for a potential disaster such as an economic collapse, pandemic, or natural disaster. Having the knowledge, skills, and supplies for any situation will give your family a sense of confidence and pride knowing that they are prepared to handle the unthinkable.
