Hidden Heads Of Households:

Hidden Heads of Households Mary Lorena Kenny, 2008-08-01 Kenny treats the often taboo topic of child labor with clear eyed perception and a bracing lack of sentimentality Barbara J Price Columbia University Women in 1900 Christine Bose, 2010-06-04 An exploration of women s place in the U S political economy **Ordinary Families, Extraordinary Lives** Caroline O.N. Moser, 2010-04-01 Fifty years after Oscar Lewis s famous depiction of five Mexican families caught in a culture of poverty Caroline Moser tells a very different story of five neighborhood women and their families strategically accumulating assets to escape poverty in the Ecuadoran city of Guayaquil In *Ordinary Families Extraordinary Lives* Moser shows how a more sophisticated understanding of the complexities of asset accumulation as well as poverty itself can help counter inaccurate stereotypes about global poverty It provides invaluable insight into strategies that may help people in developing countries improve their wellbeing The similar socioeconomic characteristics and economic circumstances of the Guayaquil families in 1978 when Moser began her research set the stage for a natural experiment By 2004 these circumstances varied widely Moser captures the causes and consequences of these developments through economic data anthropological narrative and personal photos She then places this compelling story within the broader context of political economic and spatial changes in Guayaquil and Ecuador Moser describes how households in a Third World urban slum relentlessly and systematically fought to accumulate human social and financial capital assets Her longitudinal account of their odyssey captures long term trends and changes in perception that are missed in snapshot assessments Chapters in this holistic story cover diverse issues such as housing and infrastructure community mobilization and political negotiation employment family dynamics violence and emigration *Dynamics of Drug Addiction and Abuse in India* Ranjit Singh Ghuman, Jatinder Singh, Gurinder Kaur, 2023-10-16 This book analyzes drug addiction and abuse from the perspectives of the state and community in India with a special focus on North West regions of India India lies in the transit route of two major global centres of heroin and cocaine processing the Golden Triangle of Myanmar Thailand and Laos towards the East and the Golden Crescent of Afghanistan Iran and Pakistan to the West making it vulnerable to drug trafficking and curbing this has been a tough challenge for enforcement agencies The book looks at the nature and pattern of drug addiction across the age groups gender and occupational groups both in rural and urban areas in India the socio economic causes of drug use and addiction and the various socio economic costs associated with it the general perception of family members police and political leaders on drug addiction as well as rehabilitation and available mechanisms to address the issue at the level of family society and government and the changes required in policy to curb drug addiction and use This interdisciplinary book will be of importance to students and researchers of economics cultural and social anthropology sociology police administration political science and psychology It will also be of interest to policy makers government agencies social scientists departments of social and preventive medicine social workers civil society drug addicts and their families

Hidden Heads of Households Mary Lorena Kenny,1997 *Poverty Dynamics* Tony Addison,David Hulme,Ravi Kanbur,2009-01-22 This collection of essays provides a state of the art examination of the concepts and methods that can be used to understand poverty dynamics It does this from an interdisciplinary perspective and includes the work of anthropologists economists sociologists and political scientists The contributions included highlight the need to conceptualise poverty from a multidimensional perspective and promote Q Squared research approaches or those that combine quantitative and qualitative research The first part of the book provides a review of the research on poverty dynamics in developing countries Part two focuses on poverty measurement and assessment and discusses the most recent work of world leading poverty analysts The third part focuses on frameworks for understanding poverty analysis that avoid measurement and instead utilise approaches based on social relations and structural analysis There is widespread consensus that poverty analysis should focus on poverty dynamics and this book shows how this idea can practically be taken forward **Spons' Household Manual** E. to their Greco Roman social and cultural environment The volume addresses the mentalities reflected in moral philosophies political theories drama and epigraphy focusing on the discourse articulated in these sources Exploring the adoption of conservative mentalities the monograph advances a reading of the Pastoral Epistles based on ideology critique It also incorporates insights gained from research on the social world of earliest Christianity in particular on private associations Korinna Zamfir argues that the ecclesiology of the Pastoral Epistles presupposes the metaphorical use of oikos Theou and shows that in Greco Roman antiquity oikos denotes larger social entities like the religious association the polis and the cosmos The ekklesia is the oikos and polis of God As a consequence the Pastoral Epistles define roles and ministries based on the public private divide and on honor and shame mentality The theological and cosmic dimension of the household of God explains the essentialist understanding of social and ecclesial roles The author also tackles the contrast between discourse and ecclesial reality

Studies in Income Distribution, 1974 'Race', Housing and Social Exclusion Peter Somerville, Andy Steele, 2002 The contributors analyse the implications of social exclusion offering suggestions for good practice in the allocation of housing for black and other ethnic minority groups This book shows how racism and the shortage of housing workers from black and other ethnic minorities constrain the choices available to these groups Reinventing Order in the Congo Theodore Trefon, 2008-02-29 Kinshasa is sub-Saharan Africa's second largest city The seven million Congolese who live there have a rich reputation for the courageous and innovative ways in which they survive in a harsh urban environment They have created new social institutions practices networks and ways of living to deal with the collapse of public provision and a malfunctioning political system This book describes how ordinary people in the absence of formal sector jobs hustle for a modest living the famous bargaining system ordinary Kinshasans have developed and how they access food water supplies health and education The NGOization of service provision is analysed as is the quite rare incidence of urban riots The contributors also look at popular discourses including street rumor witchcraft and attitudes to big men such as musicians and preachers This is urban sociology at its best richly empirical unjargonized descriptive of the lives of ordinary people and weaving into its analysis how they see and experience life

The Youngest Citizens Amy Risley, 2019-06-11 The Youngest Citizens traces the historical evolution of children's rights in Latin America before turning its focus to the dramatic shift in discourse and policy experienced by the continent in the last 20 years This book explores the new global regime on childhood child advocates sustained efforts to influence domestic policy the ongoing challenges they face and the implications for democracy and citizenship in Latin America Risley addresses the disconnect between rights granted and the realities that young people face through in-depth case studies of child advocacy and legislation to prove that rights in theory do not suffice the status of children must be improved in practice Key issues are discussed such as child labor in Bolivia and Brazil child soldiers in Colombia child sexual exploitation in Costa Rica and Mexico and unaccompanied child migrants detained at the United States southern border The Youngest Citizens takes the cautiously optimistic view that children

themselves are increasingly being recognized as rights bearing subjects and included in the decisions affecting them This book is an essential text for both undergraduate and graduate students interested in Latin American studies with a focus on themes surrounding childhood and the family human rights and migration Women-Headed Households S. Chant,1997-01-31 Households headed by women are a growing presence worldwide This is the first book to focus on their diversity and dynamics in developing countries Set within the context of global trends and debates on female household headship and using case study material based on interviews with low income women in Mexico Costa Rica and the Philippines the analysis explores the reasons for the formation and increase in women headed households in different parts of the world and their capacity for survival in societies where male headed households are both the norm and ideal *Cultural Anthropology* Serena Nanda,Richard L. Warms,2023-04-04 Cultural Anthropology integrates critical thinking explores rich ethnographies and prompts students to think creatively about today s culture and society Authors Serena Nanda and Richard L Warms show how historical studies and anthropological techniques can help readers reflect on the nature structure and meaning of human societies Updates to the Thirteenth Edition include a new chapter on race and ethnicity emphasis on areas such as inequality power gender race and history discussions of issues around medical care and public health and new features that reflect changes in world culture This title is accompanied by a complete teaching and learning package Learning Platform Courseware SAGE Vantage is an intuitive learning platform that integrates quality SAGE textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support It s a learning platform you and your students will actually love Assignable Video with Assessment Assignable video available in SAGE Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site the ladies treasury for 1882 a household magazine mrs. warren,1882 **The Great Ming Code / Da Ming lu** ,2012-09-01 Imperial China s dynastic legal codes provide a wealth of information for historians social scientists and scholars of comparative law and of literary cultural and legal history Until now only the Tang 618 907 C E and Qing 1644 1911 C E codes have been available in English translation The present book is the first English translation of The Great Ming Code Da Ming lu which reached its final form in 1397 The translation is preceded by an introductory essay that places the Code in historical context explores its codification process and examines its structure and contents A glossary of Chinese terms is also provided One of the most important law codes in Chinese history The Great Ming Code represents a break with the past following the alien ruled Yuan Mongol dynasty and the flourishing of culture under the Ming the last great Han ruled dynasty It was also a model for the Qing code which followed it and is a fundamental source for

understanding Chinese society and culture The Code regulated all the perceived major aspects of social affairs aiming at the harmony of political economic military familial ritual international and legal relations in the empire and cosmic relations in the universe The all encompassing nature of the Code makes it an encyclopedic document providing rich materials on Ming history Because of the pervasiveness of legal proceedings in the culture generally the Code has relevance far beyond the specialized realm of Chinese legal studies The basic value system and social norms that the Code imposed became so thoroughly ingrained in Chinese society that the Manchus who conquered China and established the Qing dynasty chose to continue the Code in force with only minor changes The Code made a considerable impact on the legal cultures of other East Asian countries Yi dynasty Korea Le dynasty Vietnam and late Tokugawa and early Meiji Japan Examining why and how some rules in the Code were adopted and others rejected in these countries will certainly enhance our understanding of the shared culture and indigenous identities in East Asia **Household Words** : ,1856 Household Words Charles Dickens,1856

The Anthropology of Childhood David F. Lancy,2022-03-10 How are children raised in different cultures What is the role of children in society How are families and communities structured around them Now in its third edition this deeply engaging book delves into these questions by reviewing and cataloging the findings of over 100 years of anthropological scholarship dealing with childhood and adolescence It is organized developmentally moving from infancy through to adolescence and early adulthood and enriched with anecdotes from ethnography and the daily media to paint a nuanced and credible picture of childhood in different cultures past and present This new edition has been expanded and updated with over 350 new sources and introduces a number of new topics including how children learn from the environment middle childhood and how culture is transmitted between generations It remains the essential book to read to understand what it means to be a child in our complex ever changing world *The State of Black America 1981* James D. Williams,1981-01-01
