

# Summer Reading Assignment

## 10<sup>th</sup> grade Honors English

Congratulations on choosing to challenge yourself by taking Honors English as sophomores! The year will be tough yet rewarding and will help you to be successful in both Advanced Placement English courses and 11th grade IB English. In order to prepare for the term, you are required to complete a summer reading assignment. Such assignments exist for AP English courses, as well as all the IB courses. In fact, most schools throughout the country require summer reading or more for honors level students, so don't just think it's Oakmont picking on you!

**The Assignment:** You will need to \*\*purchase and carefully read *To Kill a Mockingbird* by Harper Lee. As you read, you must annotate the book extensively. An explanation of annotation follows as well as a sample. The annotated books will be submitted to your teacher and graded for both quantity and quality, per the directions attached.

You should also expect to complete other activities such as projects, essays and/or tests on this book when your English class starts. Your book with annotations is due the first day of class in the fall. Remember: **EVERYONE** will start this class on the first day of the FALL term. **DO NOT FORGET THE BOOK OR THE ANNOTATIONS!** If you do not complete this assignment, you may be removed from the class and/or your grade will begin with a serious deficit!

**\*\*** Used book stores sometimes have copies of the book available for very low prices. Books may also be borrowed from a library or a friend, particularly if finances are a concern. If borrowed books are used for the assignment, write the annotations on sticky notes and stick the notes on the corresponding pages in the book.

Even if you purchase the book, most students have found the sticky notes to be preferable to writing in the margins of the book because there is more room available and the notes are easier to locate later on.
