First American Edition, Carefully Revised and Corrected* John OWEN (D.D.), 1792 Death and Life in America Raymond Downing, 2024-03-14 Family physician Raymond Downing offers a bold critique of western medicine and sees medical care as one of the fallen principalities and powers in need of redemption But Downing's hope lies beyond biomedicine in biblical healing especially the healing miracles of Jesus In conversation with the Bible Ivan Illich William Strongfellow Susan Sontag and others Downing revisits how Westerners approach medicine He sees suffering and healing as essentially spiritual experiences at the roots of death and life **America's God and Country** William J. Colossians David J. Landegent, 2017-06-06 Some people can't see the forest for the trees they get so bogged down in details that they lose sight of what it's all about Others can't see the trees for the forest they miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Paul's letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in God's truth and growing in our faith Come and join the journey
