Mindshift Barbara Oakley, PhD, 2017-04-18 Mindshift reveals how we can overcome stereotypes and preconceived ideas about what is possible for us to learn and become At a time when we are constantly being asked to retrain and reinvent ourselves to adapt to new technologies and changing industries this book shows us how we can uncover and develop talents we didn't realize we had no matter what our age or background We're often told to follow our passions But in Mindshift Dr Barbara Oakley shows us how we can broaden our passions Drawing on the latest neuroscientific insights Dr Oakley shepherds us past simplistic ideas of aptitude and ability which provide only a snapshot of who we are now with little consideration about how we can change Even seemingly bad traits such as a poor memory come with hidden advantages like increased creativity Profiling people from around the world who have overcome learning limitations of all kinds Dr Oakley shows us how we can turn perceived weaknesses such as impostor syndrome and advancing age into strengths People may feel like they're at a disadvantage if they pursue a new field later in life yet those who change careers can be fertile cross pollinators They bring valuable insights from one discipline to another Dr Oakley teaches us strategies for learning that are backed by neuroscience so that we can realize the joy and benefits of a learning lifestyle Mindshift takes us deep inside the world of how people change and grow Our biggest stumbling blocks can be our own preconceptions but with the right mental insights we can tap into hidden potential and create new opportunities

The Last Health Book You'll Ever Need Esi Zar, Let me ask you something are you tired Not just the I need another cup of coffee kind of tired But the deep quiet kind The kind that lives in your bones The kind that makes you wonder Is this just how life is now Maybe you wake up every morning already behind You feel foggy bloated drained Your doctor says your numbers are okay but you know something's off You're trying cutting carbs joining gyms swallowing supplements but nothing sticks You scroll past wellness influencers and think Good for them while silently wondering why nothing ever works for you And if you're being honest part of you is scared Scared this is the beginning of a long slow decline Scared of getting sick of losing time of watching your life shrink instead of expand If that sounds familiar I want you to hear this You're not lazy You're not broken And it's not too late You've just never had the whole picture You've been handed confusing advice trendy diets and quick fix gimmicks by people more interested in selling you a product than helping you heal And none of it ever seems to connect the dots between how you feel what you eat how you move and what your body actually needs to stay healthy for the long haul That's why I wrote this book To give you the last health book you'll ever need Not because you'll never care about health again but because this time it'll finally make sense Because after this you won't need to search anymore In these pages you're going to learn what really matters What to stop doing What to finally start What to eat how to move how to sleep and how to think in ways that actually heal you from the inside out No hype No fear Just truth backed by science lived through experience and shared with heart This isn't just about living longer It's about living better Clearer Stronger Lighter More you And the best part You don't

need to be perfect You just need to be ready The book is laid out like a journey one step building into the next We ll start by uncovering the lies that have led so many of us to feel sick and stuck Then we ll rebuild from food movement and sleep to stress hormones and the daily habits that quietly shape our destiny And finally we ll go deeper into mindset identity and the kind of powerful shift that makes this a lasting change not another phase You don t need another diet You need a reset A return A reminder of what your body has always been capable of when it s finally given what it needs So if any part of you is ready for change turn the page Your journey begins now

Reversing Aging Dr.Bruce Goldberg,1998-04 Add 15 to 50 years to your life naturally Yes it is possible Discover new meditative techniques including self hypnosis in this all new guide to Reversing Aging Discover for yourself How to use self hypnosis to increase the natural production of DHEA to slow down the aging process How to look younger immediately Easy techniques to boost your brain power and improve memory An eating plan to reduce the cellular changes leading to old age symptoms Nutritional keys to halt aging skin Simple methods to significantly improve your sex life Step by step plan to reprogram the internal computer that may be aging you prematurely How to prolong a vibrant life by Reversing Aging The way the world populations are progressing it is clear that in a few decades we will have a greater number of elderly people as compared to the young ones In this context especially the role of this book assumes special significance
