How To Set A Timex Expedition Watch:

Shooting Ladders Gary Keeney, 2010-08-03 *Shooting Ladders* is a book of advice written to a little girl named Tori. She was four years old when the author started writing the first topic and she was eight years old when he finished the last topic. But he didn't write it for the Tori of then or even the Tori of now; instead, he wrote it for the Tori of the future as something to help her make the right decisions in her late childhood, early adult years, and throughout her life. The book contains the author's opinions on hundreds of various subjects: some of them practical, many of them philosophical, some serious, some whimsical. On a typical subject, the author tells a story from his own personal experiences and then adds a moral lesson for her to learn from the story. Although he's not trying to tell her what to think, he is trying to guide her into making the proper decisions in life. The author hopes that she'll carefully weigh all the options and choose the paths that lead her to a good and happy life. *Harlequin Special Edition December 2014 - Box Set 2 of 2* Christine Rimmer, Rachel Lee, Caro

Phelps, 2005-06-01 A New York State investigator matches wits with a devious serial killer in the New York Times bestselling author's true crime thriller. Gary C. Evans was master of disguise and career criminal who had once befriended David Son of Sam Berkowitz. In 1989, he started weaving a web of deadly lies in Upstate New York, telling a female friend that the father of her child had deserted her. In fact, Evans had killed the man just before striking up a ten-year romance with the woman. Evans first met Investigator James Horton in 1985 when Evans snitched on a childhood friend and crime partner, failing to mention that he'd murdered him. Then two local jewelry dealers were killed. In 1997, another old friend of Evans went missing. Was Evans responsible? Horton launched a nationwide manhunt to uncover the truth. For more than a decade, Evans and Horton maintained an odd relationship: part friendship, part manipulation, with Evans serving as a snitch while the tenacious investigator searched for the answers that would put him away. After Horton used Evans to obtain a confession from a local killer, Evans led Horton in a final game of cat and mouse that would culminate in the most shocking death of all.
