How To Think Right Rants From A Christian Conservative Comedian:

How to Think Right Brad Stine, 2008-01-29 Good clean humor about a dirty word liberalism Watch out blue staters Brad Stine is about to spoil your party This conservative Christian comedian doesn't use profanity to get laughs just good old fashioned common sense In *How to Think Right* Stine takes aim at a host of sacred cows delivering hilarious and insightful commentary on topics such as *How Liberals Have Created a Nation of Wusses* *How Bumper Stickers Can Teach You Religion and Science* and *Why Dangerous Toys are Good for America's Kids* For anyone who's had enough of latte drinking Volvo driving politically correct liberal America *How to Think Right* will come as a breath of fresh air if only you can stop laughing

Live from Middle America Brad Stine, 2006 Of the hundreds of comedians I've seen Brad Stine is the best side splittingly funny smart and edgy Rick Warren author of *The Purpose Driven Life* Hilarious and thought provoking Brad Stine is a comedian who hails from all places Middle America So what happens when a conservative who is convinced that America is the greatest country on the planet except for all the idiocies that have infiltrated it at the callous free baby soft hands of liberals gets the opportunity to rant on the page By products of liberal lunacy such as bump signs on our highways airbags for safety the decline of tobacco use the contagion of Starbucks and garden variety political correctness become grist for Stine's comedic mill Laugh out loud funny and acutely insightful *Live from Middle America* will prove irresistible to those who recognize themselves in its pages and marks the publishing debut of one of conservative America's most original voices

Jesusland Joelle Kidd, 2025-08-12 An empathetic funny and sharply critical collection of essays exploring the Christian pop culture of the 2000s and its influence on today's politically powerful evangelicalism Braiding relentless curiosity sharp argument and wry comedy Kidd offers a lucid critique of evangelicalism that is always attentive to and respectful of the mysteries of faith This is cultural criticism at its finest I'll read anything Kidd writes Tajja Isen author of *Some of My Best Friends* In 1999 after three years of secular living in Eastern Europe Joelle Kidd moved back to Canada and was enrolled in the strange world of an evangelical Christian school Immediately she found herself in a strange world of upbeat Christian pop music purity education and desperately trendy Bible redesigns trying to make sense of this unfamiliar preteen cultural landscape In *Jesusland* Joelle writes about the Christian pop culture that she was suddenly immersed in from perky girl bands to modest styling tips and draws connections between this evangelical subculture and the mainstream a tense yet reciprocal relationship that both disavows the secular while employing its media markers But none of this was just about catchy songs every abstinence quiz in a teen magazine was laying the foundation for what would become a conservative Christian movement that threatens women's healthcare attacks queer and trans rights and drives present day political division Through nine incisive honest and emotional essays *Jesusland* exposes the pop cultural machinations of evangelicalism while giving voice to aughts era Christian children and teens who are now adults looking back at their time measuring the length of their skirts and asking each other if their celebrity crush was Christian enough With care and generosity *Jesusland* shows us

are partisans and political figures so certain they are right all the time Why are citizens everywhere unsatisfied with democratic systems of government Why are political campaigns so shallow vicious and manipulative This book provides answers to the above questions showing how understanding political irrationality may enable us to devise new systems of government that are truly democratic Book jacket The Tablet ,1871 The international Catholic weekly **The New York Times Index** ,2006 Factsheet Five ,1993 *Time* Briton Hadden, Henry R.
