### **1. Introduction**

Research and writing research papers are becoming scientific day by day. Ph. D. students, teachers or professors are being recognized through their published research works. In the recent past in India, it has been made mandatory for every teacher or professor and for every Ph.D. student to get their research papers published in UGC-CARE listed journals or Scopus registered journals. This need is aroused for taking promotions in colleges or universities or for the award of Ph.D. Degrees. Apart from this, government initiated to curb copying of other researchers' work to ban 'literature theft'. It has also made writing of paper very scientific in nature. The research paper must ensure an acceptable level of plagiarism. Moreover, ResearchGate, google scholar, zenodo and other such platforms have emerged to evaluate and to judge the work of researchers. These portals have a public viewing that gives rating to the registered researchers on their platforms.

Before knowing the writing scholarly research paper, one has to understand clearly what the research paper is. Most of the researches fail because they are not 'research papers'. Largely,
