

Writing an Opinion essay

Introduction

- Open with your "hook".
- Write a transition sentence that relates your hook to the question of whether Chocolate milk is healthy or unhealthy.
- Write a summary of the issue.
- Finish with your thesis statement.

Body Paragraphs

Here's where you write your supporting points. For each one, write 1-3 sentences that provide additional details. Each supporting point should have its own paragraph. Order your supporting points from weakest to the strongest.

* Readers tend to remember best the details that are presented last.

Conclusion

• Use 2-3 sentences to remind your readers of your main points.

- For a strong final sentence, try addressing your readers directly. Ask a question, or encourage your readers to think about something or do something.
