Hurricane Sweep English Edition:

Complete Works, Reprinted Entire from the Last English Edition Mrs. Hemans, 1852 **Petersburg** Andrei Bely, 2018-03-30 Andrei Bely's novel Petersburg is considered one of the four greatest prose masterpieces of the 20th century. In this new edition of the best-selling translation, the reader will have access to the translator's detailed commentary which provides the necessary historical and literary context for understanding the novel as well as a foreword by Olga Matich, acclaimed scholar of Russian literature. Set in 1905 in St. Petersburg, a city in the throes of sociopolitical conflict, the novel follows university student Nikolai Apollonovich Ableukhov who has gotten entangled with a revolutionary terrorist organization with plans to assassinate a government official, Nikolai's own father, Apollon Apollonovich Ableukhov. With a sprawling cast of characters set against a nightmarish city, it is all at once a historical, political, philosophical, and darkly comedic novel.

Carter Henry Harrison Willis John Abbot, 1895 **The Royal Navy Lynx** Larry Jeram-Croft, 2017-03-31 The history of an incredibly capable British Royal Navy aircraft as told by those who flew and maintained it. In *The Royal Navy Lynx: An Operational History*, author Larry Jeram Croft begins with the Lynx's entry into service in 1976. He goes on to discuss its remarkable performance in the Falklands War. Here it was used in both its primary roles of anti-submarine and anti-surface warfare as well as several others for which it had never been designed, such as Airborne Early Warning and anti-Exocet missile counter measures. The Lynx has been continuously employed in the Gulf from 1980 until the present day. What is not generally known is the fact that these aircraft were responsible for effectively destroying the Iraqi navy, sinking over fifteen warships in a matter of a few weeks. All related operational details are included here. Also included are accounts of operations conducted around the world, including anti-drug interdiction, Arctic deployments, Search and Rescue, hurricane relief, as well as a few notable mishaps. Also described is the development of the aircraft from the Mark 2 to the current Mark 8 SRU, bringing the narrative fully up to date. Although only a snapshot, the stories narrated here offer the reader a real understanding of the capabilities of an aircraft with a truly remarkable history of service. A comprehensive account of the hugely successful service of the Lynx since its entry into service in 1976. All you need to know about a great aircraft, very highly recommended.
