Sawyers, Steve Jackson, Greg Jenkins, 2018-09-01 *ACCT3 Management* is the Asia Pacific edition of the proven 4LTR press approach to management accounting designed to enhance students learning experiences The text is for teaching students learning the preparers debits and credits approach and is presented in an easy to read and accessible style This third edition includes a strong suite of student and instructor resources that enhance student learning and revision New print versions of this book come with bonus online study tools on the CourseMate Express platform Learn more about the online tools [cengage.com/au/learning/solutions](http://cengage.com/au/learning/solutions)

**Go Green at Home** Frank Y. Panol Ph. D., 2011-10 The central idea of this book is that saving energy and water saves the households money and simultaneously help reduce greenhouse gas emissions that cause global warming It also aims to give readers better understanding of the green concept to enable informed participation in the current discourse pertaining to environment and climate change The first chapter reviews environmental issues confronting the world in general and the U S in particular Chapter 2 discusses federal energy efficiency programs that relate directly with energy saving and resource conservation efforts in households Chapter 3 focuses on measures of saving energy at home including use of compact fluorescent lamps taking advantage of residual heat in electric stoves energy efficient ways of using kitchen appliances informed choice and use of home heating and cooling systems and others Chapter 4 deals with conserving water inside and outside homes including use of high efficiency toilets low low shower heads etc The economics of energy and water use efficiency covered in Chapter 5 quantifies the savings derived from most of the measures discussed in Chapters 3 and 4 The goal is to show in dollar terms how much households could save by following green practices at home The challenges of dealing with solid waste from households are examined in Chapter 6 Particular focus is given on Pay As You Throw PAYT scheme in waste collection systems and fees as well as the three Rs in

waste management Reduce Reuse and Recycle Recognizing the impact of children on energy and water use at home the author devotes Chapter 7 on educating and engaging children in green practices Two framework proposals aimed at enhancing sustainability of green movement in the country are presented in Chapter 8 including establishment of green camps and providing tax incentives for going green at home Proposal for establishing green camps is directed to private business sector or non profit organizations and the government while the tax incentive proposal is directed solely to the government

*Buying Your First New Car* John Hawkins,2019-02-13 Discover what dealers do not want you to know and save up to thousands of dollars when buying a new car So you ve finally done it you ve passed your driving test and it s time to think about buying a car This can be a daunting experience when you do it for the first time but a little forward planning and knowledge in the right areas will go a long way towards making sure the whole proce
