Rushing Into Floods Gunda Windmüller,2012 *The Sea on Stage Colonial Expansion Maritime Empire and English Drama*

Dangerous Spirit of Liberty Justin James Pope,2025-04-04 Justin Pope s ground breaking work tells the story of an era of slave unrest that swept through the Atlantic World in the first half of the eighteenth century Provinces along the eastern coast of North America and around the Caribbean Sea experienced more insurrections and conspiracy trials in the 1730s and 1740s than in any period before the Age of Revolution The governor of Jamaica warned his king that slaves were spreading a dangerous Spirit of Liberty throughout the West Indies concerns echoed by European colonists on the northern mainland

African born slaves rose in rebellion and captured the Danish island of Saint John and Maroons waged a successful war in Jamaica events that became news in the wider Atlantic World By the early 1740s word of emancipation and widespread rebellion had taken hold in slave communities from the coast of South America to the harbors of New York City Colonial authorities responded to rumors of slave plotting with brutal conspiracy trials exhorting false confessions and executing hundreds of men and women in travesties of justice in need of retelling Scholars have long noted this period of intensified slave unrest not unlike the era of the Haitian Revolution but no one has conducted a full length study of this early tumult across empires This book explains the causes behind this rash of insurrections both real and imagined and explores the consequences for the peoples of the eighteenth century Atlantic World Dangerous Spirit of Liberty s distinguishing feature is its focus on the role of communication in the development of a rebellious early eighteenth century Atlantic Most historians of slavery have presupposed that slave unrest was confined to small locales in the first half of the eighteenth century In fact slaves found ways to share news across provinces to great effect Benefiting from research in the archives of Great Britain Spain Barbados Bermuda Jamaica Antigua the U S Virgin Islands and the mainland United States the book reveals new evidence of slave communication networks and shows how people of African ancestry shared rumors of emancipation and rebellion in this period Slaves laboring in colonial commerce and working aboard ships helped foster an increasingly restive Black community Banished slaves convicted conspirators accused of plotting insurrection carried their experiences with them in exile to neighboring colonies By reconstructing the path of news the book reveals rumors and reports that particularly resonated among slaves in the early eighteenth century *Ontario Library Review and Book Selection Guide* ,1924

English Mechanic and World of Science ,1924 **The SCI'ON Trilogy** Nicola Rhodes,2012-11-24 The SCI ON Trilogy Whenever a decision is taken that is of significance to the world The world divides and two alternate futures are created In the beginning there was only one world That world we name SCI ON All other worlds that sprang from it we name the shadow worlds Some believe SCI ON is the only real world and that all others are mere reflections hence the name Others believe that all the alternate worlds are equally real and important however they may have come into being Whatever the case one thing is certain If SCI ON itself the cradle of creation were to be destroyed all other worlds would cease to exist For SCI ON is the mainspring and without it the shadow worlds would have no point of origin The Shadow Worlds Legacies The Citadel **The Christian Science Journal** ,1926 **Catalog of Copyright Entries** Library of Congress.
