,2025-02-17 **Simões Lopes Neto modernista** Jocelito Zalla,2023-01-01 Simões Lopes Neto modernista: uma investigação histórica sobre a consagração postuma desse escritor gaúcho que gozou de prestígio regional e lançou um modo de contatos nacionais importantes em sua breve carreira literária não correspondendo portanto ao lugar comum de um artista incompreendido e injustiçado em seu tempo. Mas Simões Lopes Neto também sofreu reprimendas do Partido Republicano Rio Grandense devido ao caráter de sua obra heterodoxa em termos de memória histórica e que ademais era formalmente considerada estrangeira tributária da gauchêsca praticada nos países fronteiriços Argentina e Uruguai. O advento dos projetos modernistas de transformação da literatura brasileira poucos anos após a morte de Lopes Neto acabaria mudando sua condição no campo. Seus pecados se tornariam trunfos. Mas como este livro mostra, nada se deu naturalmente: essa história narrada e analisada por Jocelito Zalla neste livro como Simões Lopes Neto se tornou Simões Lopes Neto na forma como a conhecemos hoje revela de suas próprias ambições e identifica as intelectuais. **Mutações: fontes passionais da violência** Adauto Novaes,2015-12-16

O oitavo livro da série Mutações pensa o homem e suas paixões diante dos novos tempos que fascinam mas também assombram. As evidentes dificuldades da empreitada implicam o cuidadoso exame de questões referentes ao seu contexto, o que se entende por civilização técnica. O que feito do homem diante da revolução tecnocientífica, biotecnológica e digital? Que papel tem hoje o espírito entendido como inteligência ou potência de transformação criadora? Os 23 ensaios que compõem a obra colaboram para que estejamos mais aptos a transitar pelas esferas do pensamento crítico por meio do qual o mundo parece um lugar menos ameaçador. **Independência do Brasil** Antonio Carlos Mazzeo, Luiz Bernardo Pericás,2022-09-02

Independência do Brasil: a história que não terminou. Obra organizada por Antonio Carlos Mazzeo e Luiz Bernardo Pericás, oferece ao leitor duzentos anos após o grito do Ipiranga uma discussão abrangente e elucidativa sobre um processo que até hoje desperta controvérsias e mal entendidos. Reunido de 12 artigos de autores especializados no tema e no período, o conjunto apresenta visões diversas sobre o processo político e econômico da pouca crise do antigo sistema colonial, formação do Estado brasileiro, estrutura de classes, ao lado de estudos mais detidos de interpretações clássicas, bem como de temas como o mapeamento do território, a formação do mercado livreiro, a estrutura tributária da colônia e Império, rebeliões populares do período. Ao mesmo tempo, em que divulga algumas das pesquisas mais aprofundadas sobre o assunto, o livro contribui para que se tenha uma visão panorâmica do processo de Independência do Brasil. Trata-se portanto para os especialistas de peça de atualização e discussão e para o público geral de obra de informação e reflexão sobre um processo importantíssimo, mas de certa forma ainda inconcluso. **Der Spiegel** Rudolf Augstein,2017-06
