Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls

letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey *Ciulirnerunak Yuuyaqunak/Do Not Live Without an Elder* Ann Fienup-Riordan,2016-10-15 In October of 2010 six men who were serving on the board of the Calista Elders Council CEC gathered in Anchorage with CEC staff to spend three days speaking about the subsistence way of life The men shared stories of their early years growing up on the land and harvesting through the seasons and the dangers they encountered there The gathering was striking for its regional breadth as elders came from the Bering Sea coast as well as the Yukon and Kuskokwim rivers And while their accounts had some commonalities they also served to demonstrate the wide range of different approaches to subsistence in different regions This book gathers the men s stories for the current generation and those to come Taken together they become more than simply oral histories rather they testify to the importance of transmitting memories and culture and of preserving knowledge of vanishing ways of life *If We Follow Jesus, He Will Lead Us Out of Christianity and Into Messianic Judaism* Donald Werner,2020-02-03 Beginning around the 4th Century the Christian church accelerated its downhill slide into apostasy Today the Christian church is nothing at all what we read about in the Book of Acts and that is because it has set aside Jesus teachings to follow the teachings of Paul Jesus teachings and Paul s teaching are polar opposites and cannot be reconciled regardless of how hard the church tries to gloss over the differences Today s Christian Church bases its doctrines on Paul s writings to the exclusion of Jesus words And because they have set Jesus words aside they have reject God s Torah law which Jesus told us to keep and that leads to many other problems And as a result today the Christian church is divided into hundreds of sects and it is confused and weak Christians following those corrupt doctrines are lawless which means God does not answer their prayers Proverbs 28 9 and they worship in vain Mark 7 7 9 Read this book to learn much more and what we must do to be among the redeemed *The Real Metaphysical Club* Frank X. Ryan,Brian E. Butler,James A. Good,2019-05-01 A full account of the Metaphysical Club featuring the members philosophical writings and four critical essays The Metaphysical Club a gathering of intellectuals in the 1870s is widely recognized as the crucible where pragmatism America s distinctively original philosophy was refined and proclaimed Louis Menand s bestseller about the group was a dramatic publishing success However only three actual members Oliver Wendell Holmes Jr Charles S Peirce and William James appear in the book alongside other thinkers who were never in the Club The Real Metaphysical Club tells the full story of how this influential group shifted the course of philosophy in America In addition to pioneering pragmatism the group explored radical

empiricism and idealism and formulated personalism and process philosophy equally important developments This volume contains the important writings dating from 1870 to 1885 by the real members of the Metaphysical Club The first section centers on pragmatism and science the second part collects writings of the lawyers and the third part covers idealist and personalist philosophers Many of these writings have never been reprinted before and nothing like this impressive collection has ever been attempted A general introduction provides a narrative history and the editors three introductions to the volume s sections vividly bring to life the intense meetings sustained debates and pioneering thought of the Metaphysical Club The Real Metaphysical Club includes some very important thinkers that don t always make it into anthologies of American philosophy The period is also important 1870 to 1885 is critical to the development of classical American philosophy It precedes it and sets its direction The book accomplishes its goal of giving the reader a sense of the period by arranging the works in a very interesting way The readings and introduction are very readable and would be helpful to both graduate and undergraduate students as well as general readers interested in American Thought James M McLachlan Western Carolina University "If We Are Striking for Pennsylvania", Volume 1: June 3-21, 1863 Scott L. Mingus, Eric J. Wittenberg, 2022-08-26 Scott L Mingus Sr and Eric J Wittenberg the authors of more than forty Civil War books have once again teamed up to present a history of the opening moves of the Gettysburg Campaign in the two volume study If We Are Striking for Pennsylvania The Army of Northern Virginia and the Army of the Potomac March to Gettysburg This compelling study is one of the first to integrate the military media political social economic and civilian perspectives with rank and file accounts from the soldiers of both armies as they inexorably march toward their destiny at Gettysburg This first installment covers June 3 21 1863 while the second spanning June 22 30 completes the march and carries the armies to the eve of the fighting Gen Robert E Lee began moving part of his Army of Northern Virginia from the Old Dominion toward Pennsylvania on June 3 1863 Lee believed his army needed to win a major victory on Northern soil if the South was to have a chance at winning the war Transferring the fighting out of war torn Virginia would allow the state time to heal while he supplied his army from untapped farms and stores in Maryland and the Keystone State Lee had also convinced Pres Jefferson Davis that his offensive would interfere with the Union effort to take Vicksburg in Mississippi The bold movement would trigger extensive cavalry fighting and a major battle at Winchester before culminating in the bloody three day battle at Gettysburg As the Virginia army moved north the Army of the Potomac responded by protecting the vital roads to Washington D C in case Lee turned to threaten the capital Opposing presidents Abraham Lincoln and Jefferson Davis meanwhile kept a close watch on the latest and often conflicting military intelligence gathered in the field Throughout northern Virginia central Maryland and south central Pennsylvania meanwhile civilians and soldiers alike struggled with the reality of a mobile campaign and the massive logistical needs of the armies Thousands left written accounts of the passage of the long martial columns Mingus and Wittenberg mined hundreds of primary accounts newspapers and other sources to produce this

powerful and gripping account As readers will quickly learn much of it is glossed over in other studies of the campaign which cannot be fully understood without a firm appreciation of what the armies and civilians did on their way to the small crossroads town in Pennsylvania *Sin and the Church* Crystal Maria Scott, 2014-06-05 Sin and the Church Perspectives and Principles for Powerful Christian Living is a timely message for today This book is born out of Crystal Scott's own personal Christian experience and journey and is a reflection of God's grace patience and providence she discloses that while forever a work in progress she has received revelation and understanding through her relationship with God that affords her the opportunity to enlighten others as she has been enlightened WHAT YOU DON'T KNOW CAN HURT As related to the issue of Sin and the Church I consider this more than a mere cliché what you don't know can indeed hurt you and this hurt is more and more apparent in the Church which is the body of Christ His believers and followers There is a rapid increase of spiritual decline in the Church that is quite alarming and its impact is far reaching All too often there seems to be very little difference between Church people and those who do not claim to be followers of Christ I contend without apology that there is an expectation of the Church that God has which is not being carried out as it should be In the face of what seems gloom and doom for the Church God raises a word of enlightenment and encouragement God knows there are some who are innocently led astray by erroneous doctrine and confused and He cares He also cares about those who innocently or deceptively lead others astray and He offers grace forgiveness and restoration to the repentant heart Included in this book are the following True Christian Doctrine Lifestyles that are not indicative of Christianity and holiness Essential keys for powerful Christian living Statistical Data Personal testimonies and interviews and much more SIN and the CHURCH PERSPECTIVES and PRINCIPLES for POWERFUL CHRISTIAN LIVING GOOD NEWS in confusing and troubled times
