The Second Chance Plan Lauren Blakely,2020-01-22 I have a big plan for my career and it most certainly doesn t involve my ex AKA my first love It definitely doesn t entail working with him every day on a brand new project for my jewelry line And it absolutely doesn t include falling for the man all over again But the trouble is he s kind charming and so darn smart Not to mention easy on the eyes And thoughtful too Also he wants to get to know me again To take me out for coffee to chat on the phone to go to museums It s a dizzying delicious courtship but I don t know if my heart can handle this from the man who broke it to pieces once upon a time Or am I willing to risk everything for a second chance at first love

Reckless to Love You J Saman,2021-01-04 Second chances don t always come easy even when you re determined to get them I let her slip through my fingers No that s a lie I was reckless and pushed her away I was never supposed to fall for her my tutor my best friend My fantasy I tried to stay away I failed Then we graduated and everything changed All I needed was a step back a moment to breathe But by the time I came up for air she was in the arms of another man Four years later everything is different And when I see her again I remember why I should have never let her go in the first place It started on day one New school New life And there he was the boy I grew up with walking up the steps of my very first class Except now the boy from my memories was gone and his place was an Adonis of a man Even though I knew we were doomed from the start it didn t take much for me to fall for him And when you find something that perfect you don t second guess it Until it ends Four years later he s back Steamrolling through my life like he never broke my heart to begin with But this time I m older wiser and know that second chances are only the stuff of fairy tales If you re looking for EXPLOSIVE CHEMISTRY soul mate deep love and tons of feels this is the romance for you
