Kant After Duchamp:

Kant After Duchamp, 1996

Kant After Duchamp, 1996

Aesthetics at Large Thierry de Duve, 2019-02-27

Immanuel Kant's Critique of Judgment Thierry de Duve argues in the first volume of *Aesthetics at Large* is as relevant to the appreciation of art today as it was to the enjoyment of beautiful nature in 1790 Going against the grain of all aesthetic theories situated in the Hegelian tradition this provocative thesis which already guided de Duve's groundbreaking book *Kant After Duchamp* 1996 is here pursued in order to demonstrate that far from confining aesthetics to a stifling formalism isolated from all worldly concerns Kant's guidance urgently opens the understanding of art onto ethics and politics Central to de Duve's re-reading of the Critique of Judgment is Kant's idea of *sensus communis* ultimately interpreted as the mere yet necessary idea that human beings are capable of living in peace with one another De Duve pushes Kant's skepticism to its limits by submitting the idea of *sensus communis* to various tests leading to questions such as Do artists speak on behalf of all of us Is art the transcendental ground of democracy Or Was Adorno right when he claimed that no poetry could be written after Auschwitz Loaded with de Duve's trademark blend of wit and erudition and written without jargon these essays radically renew current approaches to some of the most burning issues raised by modern and contemporary art They are indispensable reading for anyone with a deep interest in art art history or philosophical aesthetics

Aesthetics After Modernism Diarmuid Costello, 2024 *Aesthetics after Modernism* argues for the ongoing relevance of aesthetics to art after modernism In it I show that even what are typically taken to be the hardest of hard cases engage us in recognisably aesthetic ways and as such remain amenable to aesthetic analysis Why if that is true do so many art theorists critics and sometimes even artists appear to think otherwise I trace the artworld's rejection of aesthetic theory to Clement Greenberg's success in co-opting the discourse of aesthetics notably Kant's aesthetics to underwrite his own formalism about modernist art Not only has this led to Kant being tarred with the brush of Greenbergian formalism it has also led critics and theorists of later art to miss the resources of the aesthetic tradition perhaps especially Kant for capturing what is distinctive about our cognitive relation to the kinds of art that interest them There is a tendency simply to assume that Kant's aesthetics cannot speak to the more conceptual aspects of our interactions with art I trace the legacy of Greenberg's modernism and formalism for later art criticism and theory before offering an interpretation of Kant's theory of art that seeks to show otherwise I take Conceptual Art as my test case here is a form of art that often claims to forgo sensible properties altogether But if Kant's aesthetics can accommodate to our cognitive relation to art with no sensible features relevant to its appreciation as art then it should in principle withstand the challenge of any form of art

Kant's ›Critique of Aesthetic Judgment‹ in the 20th Century Stefano Marino, Pietro Terzi, 2020-11-09 Kant's Critique of Judgment represents one of the most important texts in modern philosophy However while its importance for 19th century philosophy has been widely acknowledged scholars have often overlooked its far reaching influence on 20th century thought This book aims to account for the various interpretations of Kant's notion of

aesthetic judgment formulated in the last century The book approaches the subject matter from both a historical and a theoretical point of view and in relation to different cultural contexts also exploring in an unprecedented way its influence on some very up to date philosophical developments and trends It represents the first choral and comprehensive study on this missing piece in the history of modern and contemporary philosophy capable of cutting in a unique way across different traditions movements and geographical areas All main themes of Kant s aesthetics are investigated in this book while at the same time showing how they have been interpreted in very different ways in the 20th century With contributions by Alessandro Bertinetto Patrice Canivez Dario Cecchi Diarmuid Costello Nicola Emery Serena Feloj G nter Figal Tom Huhn Hans Peter Kr ger Thomas W Leddy Stefano Marino Claudio Paolucci Anne Sauvagnargues Dennis J Schmidt Arno Schubbach Scott R Stroud Thomas Teufel and Pietro Terzi

Art after the Hipster Wes Hill,2017-10-20 This book examines the complexities of the hipster through the lens of art history and cultural theory from Charles Baudelaire s fl neur to the contemporary creative borne from creative industries policies It claims that the recent ubiquity of hipster culture has led many artists to confront their own significance responding to the mass artification of contemporary life by de emphasising the formal and textual deconstructions so central to the legacies of modern and postmodern art In the era of creative digital technologies long held characteristics of art such as individual expression innovation and alternative lifestyle are now features of a flooded and fast paced global marketplace Against the idea that artists like hipsters are the foot soldiers of capitalism the institutionalized networks that make up the contemporary art world are working to portray a view of art that is less a discerning exercise in innovative form making than a social platform a forum for populist aesthetic pleasures or socio political causes It is in this sense that the concept of the hipster is caught up in age old debates about the relation between ethics and aesthetics examined here in terms of the dynamics of global contemporary art

Aesthetics at Large Thierry de Duve,2019-05-02 Immanuel Kant s Critique of Judgment Thierry de Duve argues in the first volume of *Aesthetics at Large* is as relevant to the appreciation of art today as it was to the enjoyment of beautiful nature in 1790 Going against the grain of all aesthetic theories situated in the Hegelian tradition this provocative thesis which already guided de Duve s groundbreaking book *Kant After Duchamp* 1996 is here pursued in order to demonstrate that far from confining aesthetics to a stifling formalism isolated from all worldly concerns Kant s guidance urgently opens the understanding of art onto ethics and politics Central to de Duve s re reading of the Critique of Judgment is Kant s idea of *sensus communis* ultimately interpreted as the mere yet necessary idea that human beings are capable of living in peace with one another De Duve pushes Kant s skepticism to its limits by submitting the idea of *sensus communis* to various tests leading to questions such as Do artists speak on behalf of all of us Is art the transcendental ground of democracy Or Was Adorno right when he claimed that no poetry could be written after Auschwitz Loaded with de Duve s trademark blend of wit and erudition and written without jargon these essays radically renew current approaches to some of the most burning issues raised by modern and

contemporary art They are indispensable reading for anyone with a deep interest in art art history or philosophical aesthetics

Liquidation World Alexi Kukuljevic, 2017-09-15 An examination of the disoriented subject of modernity a dissolute figure who makes an object of its absence from Baudelaire to Broodthaers In *Liquidation World* Alexi Kukuljevic examines a distinctive form of subjectivity animating the avant garde that of the darkly humorous and utterly disoriented subject of modernity a dissolute figure that makes an art of its own vacancy an object of its absence Shorn of the truly rotten illusion that the world is a fulfilling and meaningful place these subjects identify themselves by a paradoxical disidentification through the objects that take their places They have mastered the art of living absently of making something with nothing Traversing their own morbid obsessions they substitute the nonsensical for sense the ridiculous for the meaningful Kukuljevic analyzes a series of artistic practices that illuminate this subjectivity ranging from Marcel Duchamp's *Three Standard Stoppages* to Charles Baudelaire's melancholia He considers the paradox of Duchamp's apparatus in the *Stoppages* and the strange comedy of Marcel Broodthaers's relation to the readymade the comic subject in Jacques Vach and the ridiculous subject in Alfred Jarry the nihilist in Paul Valéry's *Monsieur Teste* Oswald Wiener's interpretation of the dandy and Charles Baudelaire as a happy melancholic Along the way he also touches on the work of Thomas Bernhard Andy Kaufman Buster Keaton and others Finally he offers an extended analysis of Danny's escape from his demented father in Stanley Kubrick's *The Shining* Each of these subjects is in Freud's terms sick sick in the specific sense that they assume the absence of meaning and the liquidation of value in the world They concern themselves with art without assuming its value or meaning Utterly debased fundamentally disoriented they take the void as their medium [In the Blink of an Ear](#) Seth

Kim-Cohen, 2009-07-01 An ear opening reassessment of sonic art from World War II to the present Marcel Duchamp famously championed a non retinal visual art rejecting judgments of taste and beauty In *In the Blink of an Ear* is the first book to ask why the sonic arts did not experience a parallel turn toward a non cochlear sonic art imagined as both a response and a complement to Duchamp's conceptualism Rather than treat sound art as an artistic practice unto itself or as the unwanted child of music artist and theorist Seth Kim Cohen relates the post War sonic arts to contemporaneous movements in the gallery arts Applying key ideas from poststructuralism deconstruction and art history *In the Blink of an Ear* suggests that the sonic arts have been subject to the same cultural pressures that have shaped minimalism conceptualism appropriation and relational aesthetics Sonic practice and theory have downplayed or in many cases completely rejected the de formalization of the artwork and its simultaneous animation in the conceptual realm Starting in 1948 the simultaneous examples of John Cage and Pierre Schaeffer initiated a sonic theory in practice fusing Clement Greenberg's media specificity with a phenomenological emphasis on perception Subsequently the sound in itself tendency has become the dominant paradigm for the production and reception of sound art Engaged with critical texts by Jacques Derrida Rosalind Krauss Friedrich Kittler Jean-François Lyotard and Jacques Attali among others Seth Kim Cohen convincingly argues for a reassessment of the short

history of sound art rejecting sound in itself in favor of a reading of sound's expanded situation and its uncontrollable textuality. At the same time, this important book establishes the principles for a nascent non-cochlear sonic practice embracing the inevitable interaction of sound with the social, the linguistic, the philosophical, the political, and the technological. Artists discussed include George Brecht, John Cage, Janet Cardiff, Marcel Duchamp, Bob Dylan, Valie Export, Luc Ferrari, Jarrod Fowler, Jacob Kirkegaard, Alvin Lucier, Robert Morris, Muddy Waters, John Oswald, Marina Rosenfeld, Pierre Schaeffer, Stephen Vitiello, La Monte Young.

The Revival of Beauty Catherine Wesselinoff, 2023-08-18

This book provides original descriptive accounts of two schools of thought in the philosophy of beauty: the 20th-century Anti-Aesthetic movement and the 21st-century Beauty Revival movement. It also includes a positive defence of beauty as a lived experience extrapolated from the Beauty Revival position. Beauty was traditionally understood in the broadest sense as a notion that engages our sense perception and embraces everything evoked by that perception, including mental products and affective states. This book constructs and places in parallel with one another the Anti-Aesthetic and Beauty Revival movements. In the author's view, Anti-Aestheticism is devoted to a decisive negation of beauty, denying its importance as a philosophical notion and its significance as a lived experience. It suggests that beauty is a merely sensual experience which can be used at best as a distraction from justice and at worst as an instrument of evil. Alternatively, the Beauty Revival movement advances arguments for beauty as an experience that extends primarily to sensual experience but which also calls forth mental products and cognitive and affective states evoked by that experience. After reconstructing these two positions, the author elaborates on the notion of beauty as a lived experience through three key moments which occur in the process of our experiencing beautiful objects. These moments are: a) the conditions that constitute an experience of beauty; b) the attitudinal features most likely to lead to the experience of beauty; and c) the results of the experience of beauty. *The Revival of Beauty* will be of interest to scholars and advanced students working in aesthetics, history of philosophy, and art history.

Embracing the Beat of Phrase: An Emotional Symphony within **Kant After Duchamp**

In a world taken by monitors and the ceaseless chatter of instantaneous connection, the melodic splendor and emotional symphony created by the written term often diminish into the background, eclipsed by the constant noise and disturbances that permeate our lives. However, set within the pages of **Kant After Duchamp** a stunning fictional treasure overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed tunes and profound influence resonating within each carefully constructed phrase. Within the depths with this poignant evaluation, we will discover the book is main harmonies, analyze their enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.

Kant After Duchamp Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Kant After Duchamp free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Kant After Duchamp free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Kant After Duchamp free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Kant After Duchamp. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Kant After Duchamp any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Kant After Duchamp Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Kant After Duchamp is one of the best book in our library for free trial. We provide copy of Kant After Duchamp in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Kant After Duchamp. Where to download Kant After Duchamp online for free? Are you looking for Kant After Duchamp PDF? This is definitely going to save you time and cash in something you should think about.
