Elles,2013-05-14 Intelligence comes from ignorance as wisdom comes from naivet and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that Ive had the opportunity to absorb and learn about aspects of life that Im sure I wouldnt have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you dont then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life Ill even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after youve read this book I know that doesnt sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read these chapters stories compiled within this book Are they all true Mostly with only the most embarrassing events removed An old retired Air Force fighter pilot once told me I have secrets only God and I know and thats the way it will remain      *Liberty's Quest* Liberty Kovacs MFT MSN,Liberty Kovacs,2008 Liberty Kovacs life story has all the elements of the American Dream both its myth and its reality Breaking free from the patriarchal rule of her Greek immigrant family she set an uneasy but independent course that led to her becoming a nurse and marrying fellow Ohioan the poet James Wright Headed for the fabled Land of Happiness Life broke in with all its unpredictable misery living in

*The Shaggy Dog & Other Stories* John Pascal, 2017-07-31 Here is John Pascal once again with a new book of entertaining fiction a collection of sixteen Shaggy Dog stories and four more traditional tales one a novelette Saki H H Munro and O Henry William Sidney Porter wrote short stories with surprise endings but mainly satirical not comedic As Pascal tells us in his Preface to them All Shaggy Dog tales are comedies high or low depending upon their subject matter and the writer's art Briefly getting to the conclusion of a good Shaggy Dog story can be well worth the wait and in a truly great one there can be a lot of fun along the way And he would agree that since traditionally these anecdotes have been related orally at a Club bar or other private or limited venues they have not been given the attention they deserve nor the entertainment they would provide to a larger audience

***Euthanasia, Operation Vijay Memorial and Other stories*** Dr. Pratyush Dhage, This is my first collection of short stories which range from a period of 2008 to 2018 It took me a varied time to write these stories Some were written in an evening while some took more than 45 days All of these stories have a story behind them For example *With Braces* was born out of a SINGLE SENTENCE on 9Gag What if you had braces and there were no dentists *The 3rd Wheel* is what I saw every day during walks and casual outdoor lunches *Op Vijay Memorial* is inspired by a female friend's true experience when she went to Ladakh on a bike *Life's Trial* is a story of a windy rainy evening when I wanted to write something with a twist *The Traveler* is when I wanted to write a Sci Fi without invoking horror and blood *Euthanasia* is when I saw relatives and people I knew on a death bed It also is about what

sometimes everyone has thought about themselves on a scary sleepless night Superheroes and Villains is from 2016 when India was still dealing pathetically with the 2012 Delhi rape case And Mriya is from an upcoming novel None of these stories have anything common between them except for me as the writer The plots and characters in each story are as different as chalk and cheese Excluding two there is however one thing which binds all of the stories Hope My imaginary world isn't scarred and behest with nerve racking experiences *The Big Day (and other stories)* Dave Lauby, 2023-06-25 What do invisible rats aspiring rapists axe wielding gorillas coffee shop ninjas and clown faced kidnappers all have in common They're just some of the shady miscreants and dubious heroes who populate the pages of the twisted tales making up Dave Lauby's rollicking short fiction collection *The Big Day and other stories* From the wimpy 13 year old boy spurred on to criminal acts by his best friend from a Bizarro universe to the arctic survivalist whose sense of day and night and pain and pleasure become snow blinded and indistinguishable the characters of Lauby's nine exuberant narratives pinball collide themselves against tragedy and comedy and all the emotional bumpers in between Weaving in and out through a maze of twisting turns unexpected jolts and surprise endings TBD a/s provides the reader with a well balanced and intellectually nutritious nine course story meal while tasting every bit like dessert with every bite It's a guarantee that you'll want to come back for seconds
