

3. How does Chapter Three end on a rather mysterious note?
3. We now know more about the characters. Choose one character trait for Weasel and Mongoose and support your trait with evidence from the novel.
4. Mongoose and Weasel certainly aren't your typical, everyday heroes. The novel opens with the boys shoplifting in a local store, and the section ends with them planning in act of vandalism with spray paint cans. What is your impression of the two boys thus far in the story? Predict what you think will happen to them as the novel continues.

## **Mongoose Week 2 (pages 17-31)**

### **Vocabulary**

**Stern (p. 17):** serious

**Admittance (p. 18):** entering or being allowed to enter someplace

**Boggled (p. 20):** being astonished or overwhelmed when trying to imagine something

**Ambushed (p. 21):** a surprise attack

**Meandered (p. 28):** to flow in a winding course

**Sweeping (p. 28):** a sweeping movement through the air

### **Chapter 5.6**

1. What is the setting at the beginning of chapter 5?
2. Similar to Mongoose going to the library, describe a time that you have gone to a new place where you did not feel comfortable.

Gateway to Reading Nancy J. Polette, 2013-04-08 Get young readers hooked on some of the best titles in juvenile literature ranging from humor to mystery to fantasy with unusual and effective methods like games Getting students to want to read is one of the greatest challenges facing middle school teachers and librarians Determining which are the

right books that can spark a child's mental awakening is also difficult. This book from prolific author Nancy Polette furnishes interesting and fun games to pique students' interest in junior novels that are worth reading carefully selected titles that will contribute to their educational and emotional growth. Gateway to Reading 250 Author Games and Booktalks to Motivate Middle Readers is a powerful tool for luring middle school students away from the distractions of 21st century media and introducing them to junior or tween novels that they won't be able to put down. By presenting children with a challenge to engage their minds racing to decode book titles or using their creativity to come up with titles of their own for example students are naturally drawn towards reading these books from well known children's authors. *The Library Card Student*

### **Classroom Assessment for Students in Special and General Education**

Cathleen G. Spinelli, 2006 For courses in Assessment in Special Education Written for future teachers and experienced educators Classroom Assessment for Students in Special and General Education second edition provides the skills needed to effectively use assessment particularly informal assessment in understanding the needs of the whole student. The primary text on classroom assessment procedures is now revised with the latest in authentic curriculum and performance based assessment measures with direct connections to instruction IEP development and reporting to parents. The focus is on providing teachers with a variety of assessment procedures the why what and how of testing directions on how to construct administer score interpret graph monitor write and report assessment results. Teaching Reading Strategies with

Literature That Matters to Middle Schoolers Nancy Fordham, Alexa L. Sandmann, 2006 Help students learn and apply key reading strategies while exploring different themes commonly taught in middle school such as Forging One's Identity Friendship Making choices and the Pioneering Spirit p 4 of cover **Are They Really Reading?** Jodi Crum Marshall, 2002

All too often the poorest readers learn that if they keep quiet during sustained silent reading SSR they're doing okay no reading required. This is especially true in middle school where class sizes are large and instructional emphasis is on content rather than reading. In *Are They Really Reading* Jodi Crum Marshall discusses how to find out if your students are using SSR time wisely and what to do about it if they're not. Her book describes how to support middle grade readers who need it the most while embracing a research proven need to increase independent self selected reading time for students. Jodi shares lessons and anecdotes from her classroom and from her experience as a reading specialist implementing her model schoolwide. She expands the traditional concepts of SSR to include read alouds writing and accountability to scaffold struggling middle grade students. Bolstered by these additional supports Jodi's students dramatically increased their interest and ability in reading through a program they named Supporting Student Literacy SSL. Classroom teachers will appreciate the clear direction on how and why to implement an SSR program. Administrators will appreciate the guidance for establishing a schoolwide literacy block that substantially improves student motivation and learning. *Are They Really Reading* answers the following important questions: Why should I start an SSR program? How do I build a classroom library? Where do I

get funding for books and other materials How do I prepare the students for SSR How do I motivate students to read What is the role of the teacher How do I assess SSR If you don't currently use a sustained silent reading program this book will help you get started on the right track If you worry that some of your students aren't really reading during SSR or if you want to enhance your program here is a roadmap that is instructionally sound and flexible enough to fit your students' needs

*Serving Young Teens and 'Tweens* Sheila B. Anderson, 2006-11-30 Notable teen experts and stellar practitioners from across the country explain why library service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila B. Anderson, James Rosinia, Deb Taylor, Robyn Lupa, and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents If someone is described as a young adult what image comes to mind In fact a young adult can be a twelve year old middle schooler or a high school graduate Libraries have traditionally offered a variety of programs and services for YAs and although more emphasis has been given to serving teens in recent years little has been done to distinguish between groups within the category and meet the specific developmental needs of this broad range of library users This collection complements Anderson's previous collection *Serving Older Teens* by focusing on the needs of tweens and young teens ages 11-14 This is the age range when many young people stop using the library and lose interest in reading Notable teen experts and stellar practitioners from across the country explain why service to adolescents in this age range is so important and how you can enhance your collection and services to accommodate and win over this important group Topics range from understanding adolescent informational needs and building and promoting a winning collection to creating programs with tween appeal Contributors include Sheila Anderson, James Rosinia, Deb Taylor, Robyn Lupa, Brenda Hager, and Kristine Mahood Brimming with valuable insights and fresh ideas as well as nuts and bolts directions this is a must read for all librarians who work with young adolescents
