publication of the official Honda Factory Workshop Manual for the 125 150 series C92 CS92 CB92 C95 and CA95 There are  
exhaustive tables of technical data tolerances and fits and all of the expected data from a factory publication for the repair  
and overhaul of all major and minor mechanical and electrical components making it an invaluable resource for collectors  
and restorers of these classic Honda motorcycles There are 228 illustrations and each procedure is explained in a step by  
step method using an appropriate illustration The translation from Japanese to English is at times a little quirky but the  
profuse illustrations make up for any difficulty in understanding what needs to be done There are separate sections that deal  
with the repair and overhaul procedures for the engine transmission wheels and brakes front forks frame and carburetor plus  
a detailed electrical service section This is a must have reference for any Honda enthusiast and would certainly assist in  
helping any potential purchaser better understand the inner workings prior to purchasing one of these classic motorcycles  
Out of print and unavailable for many years this book is highly sought after on the secondary market and we are pleased to  
be able to offer this reproduction as a service to all Honda enthusiasts worldwide
