This event changed my life. I love my son dearly and his birth will always be the best thing that has ever taken place in my life. After my son was born, a lot of things changed for me. I kept my pregnancy a secret until I could decide what I would do with myself. A month passed and school began. I also began working afterschool. With all my school work and responsibilities after school I was distracted from my dire problems. To my surprise one day I had received my monthly menstrual cycle which as everyone knows does not happen while you are pregnant. At my young age I was very confused. I had thought that I had miscarried. I was sad and content. Although the life within me had died, I no longer had to worry about what would become of us. My dreams and aspirations wouldn't have to be put on hold. I didn't have to tell my parents the heart scattering news that their 15 year old daughter had gotten pregnant. Months passed and my sixteenth birthday approached. At night as I slept I felt uneasy stomach pains and at first I ignored...
