simplicity detachment about our relationship to nature and to nature's Creator that apply regardless of where a person lives He offers wonderful reflections about life from this going back to the land experience as a metaphor of authentic conversion and drawing closer to God **Country Life** ,1906 [A Life No Less Than Perfect](#) Angela K Parker,2017-06-20 The lone survivor of a tragic car accident Elona has since been a recluse with the exception of her parents Though her memory is fogged she is finally in a place where she can begin to piece together her life again She felt that moving miles away from home would help her do that She thought she was prepared for anything until she met him Michael is a young man with a rough past a past that's left him pained and broken He shoulders the guilt of his former circumstances He's accepted that he will never find someone deserving Then he lays eyes on her and his whole life suddenly changes Will Elona be able to love after she's lost so much Can Michael move past the pain enshrouding him To get through tragedy they must feel the pain but getting through the pain will be tragic **Robyn's Life Journey** Robyn Robyn,2012-08-31 Life is simple yet complicated Join Robyn as she begins life in Australia wonders about cannibals at the coffee plantation she visits moves into a career in advertising marriage and motherhood and then embarks on a quest for enlightenment Life stages that we can all relate to well except for the cannibals in Papua New Guinea Yes it is safe to say that these days even the quest for enlightenment is becoming commonplace Robyn had a very comfortable lifestyle with a man she loved yet she knew something was missing and she could no longer ignore her desire to know God The only problem for Robyn was that she didn't realize that was her goal She only knew that her yearning for something beyond materialism had finally become overwhelming and couldn't be ignored any longer And that is where the real fun begins Visions of past lives and even of saints left Robyn questioning her sanity Luckily she had good friends who helped to point out the signposts that were leading her along It is said that there are as many paths as there are people and that is never more true than when we try comparing our life with another's Even if we follow the same teacher we will all have a unique experience of the teachings Robyn's asked for and found some profound teachers Each had something important to pass on to her One of her teachers came in the guise of an obnoxious travelling companion another as a baby and another as a boot camp instructor Other moments came through more traditional spiritual practises of meditation and mysticism Robyn's story shows us to value all the moments in our lives for they all have significance Such is life it is so simple Yet complicated
