This book is for everyone to be proud of who they are, all evolving and going through something daily. When you wake up, you feel the beautiful sunshine, day and you are ready to go to the next class or job in your destiny, right now. Dressed in something wonderful, feeling strong and confident in the future which begins right now. You will be amazing and go the extra mile to be a powerful tool for others to follow. Big time as in kindness, empathy, compassion, and being present in the moment for others. I know you will change the world, one person at a time. Just be kind, sweet, aware, present, and enthusiastic about the things they care about. I am saying, find something to be passionate about and create the beginning of something wonderful, powerful, and useful for others on our planetary evolution. As humans, we are all evolving, and your inner circle as well. Bring it, do it, si se puede. I chose dancing, acting, cooking, writing my memoirs, and loving along the way. Best of life is to be lived, not judged by others. Be your best self every day, and you are in the Universal energy of love and light. Julie Bajo Yoham and juliebajoyohamphotography.com

Mysticism in Newburyport Peter James Ford, 2023-02-19 MYSTICISM IN NEWBURYPORT is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts.

Newburyport is a quaint little historic seaport on the coast heading towards New Hampshire. Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage and many tales from the tall cargo ships of olden days. High street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new highly evolved senses. Peter was to have powerful past lives experience with his Mystery Woman guide named Layne. Layne was a mystic that would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnetic flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnetic energies that gives life to our planet. Peter was to share the secrets that were revealed to him in his writings.

Let me walk you through a simple to understand program that I have developed to help you take control of your own life. The higher you vibrate the more miracles will come to you and your chosen path that you were meant to live will be part of your everyday life. Let's do this together it is amazing and so empowering.
