reduced in size some to less than a quarter page making the details difficult to see This manual also includes a re print of the original factory Bridgestone 350 GTR 350GTO Parts Catalogues with full page exploded parts diagrams Rockford Motors also published repair manuals but unfortunately the quality of the images were degraded in the re print process that was available at that time and some of them are so poor that they are of little use By utilizing both the original factory Technical Handbook and Parts Catalogues in the production of this combined manual we have hopefully provided the reader with quality enhanced images that are far superior to those in the earlier Rockford reprints As can be expected from a factory publication there is adequate detailed text and diagrams to assist in major refurbishing or even a complete mechanical renovation making it an invaluable resource for collectors of these iconic motorcycles and we are pleased to be able to offer this reprint as a service to all Bridgestone 350GTR 350GTO owners and enthusiasts worldwide Ariel Leader & Arrow 1958-1966 Factory Workshop Manual & Illustrated Parts List Floyd Clymer, 2023-06-25 282 pages and more than 180 illustrations and charts size 8 25 x 10 75 inches This publication is a reproduction of the final 7th Edition October 1965 Ariel Leader and Arrow factory workshop manual plus the March 1961 factory illustrated parts list TCP 1361 for both models Introduced in July 1958 the fully enclosed 250cc two stroke twin Ariel Leader was the first British motorcycle to have flashing turn signals available as an option In 1960 it was joined by the Arrow a sportier version that was based on the same mechanical design but dispensed with most of the enclosure of the Leader 1961 saw the introduction of the Super Sports or Golden Arrow The final Arrow model was the 200cc Arrow 1964 which benefited from lower UK insurance premiums Production of the original standard Arrow ended in 1964 and the remaining models continued on until August 1965 as 1966 models at which time Ariel made the decision to halt production VelocePress com has been publishing reprints of motorcycle and automobile manuals since 2003 and our publications have earned excellent reviews worldwide so you can be assured you are purchasing a quality product We encourage you to exercise caution when purchasing a manual for your motorcycle as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years With more than 250 titles in print VelocePress is one of the fastest growing specialty automobile and motorcycle publishing companies in the USA Please visit our website at www.VelocePress.com for more information on our company and our books Dolomite Sprint Repair Operation Manual ,1973
