Acuarelas Juan José Torres Núñez, 2011-01-01 Acuarelas habla de los dos grandes temas de la literatura de todos los tiempos el amor y la muerte De estos dos se derivan otros temas de la vida como la soledad la miseria el tiempo el deseo los sueños los recuerdos el dinero la guerra la injusticia el poder el dolor entre otros El autor comprometido y responsable considera que la poesía tiene que hablar de la miseria de la condición humana además de la belleza Seguramente la poesía no puede ser solo erudición y artificio En la poesía tenemos que encontrar ideas expresadas con un lenguaje sencillo que sirvan para esclarecer nuestra realidad La intención del libro ha sido pintar con palabras Y lo que encontramos es lo que el autor ha visto desde su terraza la gente la mar las gaviotas los pescadores las olas el viento los barcos los pájaros los gatos y el paisaje en distintas horas del día y de la noche En la mayoría de estas acuarelas siempre se encuentra alguna pincelada oscura para obligar a las lectoras y lectores a reflexionar **Our Word is Our Weapon** Subcomandante Marcos, 2011-01-04 In this landmark book Seven Stories Press presents a powerful collection of literary philosophical and political writings of the masked Zapatista spokesperson Subcomandante Insurgente Marcos Introduced by Nobel Prize winner José Saramago and

A Companion to Portuguese Literature Thomas Foster Earle, Stephen Parkinson, Cláudia Pazos Alonso, 2013 This companion volume offers an introduction to European Portuguese literature for university level readers It consists of a chronological overview of Portuguese literature from the twelfth century to the present day by some of the most distinguished literary scholars of recent years leading into substantial essays centred on major authors genres or periods and a study of the history of translations It does not attempt an encyclopaedic coverage of Portuguese literature but provides essential chronological and bibliographical information on all major authors and genres with more extensive treatment of key works and literary figures and a particular focus on the modern period It is unashamedly canonical rather than thematic in its examination of central authors and periods without neglecting female writers In this way it provides basic reference materials for students beginning the study of Portuguese literature and for a wider audience looking for general or specific information The editors have made a principled decision to exclude both Brazilian and African literature which demand separate treatment
