

Abstract: The proposed 2008-2009 U.S. Department of Education (DOE) budget will provide a 10% increase in funding for the Department of Education, but will not provide for the same level of funding for the states as the 2007-2008 fiscal year.

11. The graph may be interpreted to indicate that under constant pressure the compressibility of a material is proportional to volume.²
12. Extrapolating your curve to zero is correct, but should have no component in λ because λ tends to zero as the density of the gas approaches zero.

It is also important to note that you will want to include a note that explains to your fellow students why you are submitting this material. You should explain that you are submitting this material because you are interested in the topic, you are working on a project, or you are interested in the topic.
