This book features 55 topics about life in the years she was growing up there, plus 13 mini biographies of teachers and neighbors that were important in her life. It is illustrated with over 800 photos of people, places, and events, and even everyday objects most of us no longer use. To assist readers unfamiliar with Manhattan, she has included maps and to anchor local events to the nation and the world, there is a timeline. The book is thoroughly indexed. Though many dates and events are mentioned, it is not a history of the city but rather an entertaining account about the way of life in that time and place. Please be aware that this is a 298-page heavily illustrated book in the same fixed format as the printed book. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
