Digital Media and the Preservation of Indigenous Languages in Africa Fulufhelo Oscar Makananise, Shumani Eric Madima, 2024-06-18 Digital Media and the Preservation of Indigenous Languages in Africa Toward a Digitalized and Sustainable Society presents cutting edge epistemological debates academic case studies and empirical research from African scholars on the intersection of digital media technologies artificial intelligence and the preservation of Indigenous languages in the continent This edited collection provides a methodology for African researchers practitioners and marginalized communities to integrate digital technologies into their lives to foster innovation advance the documentation and preservation of underrepresented languages and promote African centered epistemologies Contributors to this edited volume argue that African societies should acknowledge and embrace digital media platforms Despite these platforms potential as sites of epistemic colonialism they are essential for promoting ways of life that reflect the diversity and importance of Indigenous cultures For Indigenous languages and local epistemologies to flourish in this rapidly evolving technological era African communities must employ a variety of contemporary practices and strategies to document protect and preserve ways of being that have formerly been relegated to the periphery Teacher Preparation in South Africa Linda Chisholm, 2019-10-09 The book will focus on the emergence of a racially divided system of teacher preparation and its dismantling post apartheid It will explore the policies and politics of discrepant pathways to teacher preparation within the context of international and comparative trends **Black Tertiary Education, 1987** ,1988 **Annual Report** Kangwane (South Africa). expansion of their Church She traces the gradual transformation of women s involvement from the early years when drawing on indigenous models of female spirit possession women acted as soldiers headed congregations and served as pastors to the present condition of Western style institutionalization and exclusion for women Despite this marginalization women members continue to be inspired by the defiance of past heroines **Drum** ,1997 **Debates of the National Assembly (Hansard)** South Africa.
