Faithful And Virtuous Night Poems Louise Gluck:

Faithful and Virtuous Night Louise Glück, 2014-09-09 WINNER OF THE NOBEL PRIZE IN LITERATURE Winner of the National Book Award for Poetry A luminous seductive new collection from the fearless The New York Times Louise Glück winner of the Nobel Prize in Literature Louise Glück is one of the finest American poets at work today Her Poems 1962 2012 was hailed as a major event in this country's literature in the pages of The New York Times Every new collection is at once a deepening and a revelation Faithful and Virtuous Night is no exception You enter the world of this spellbinding book through one of its many dreamlike portals and each time you enter it's the same place but it has been arranged differently You were a woman You were a man This is a story of adventure an encounter with the unknown a knight's undaunted journey into the kingdom of death this is a story of the world you've always known that first primer where on page three a dog appeared on page five a ball and every familiar facet has been made to shimmer like the contours of a dream the dog floating into the sky to join the ball Faithful and Virtuous Night tells a single story but the parts are mutable the great sweep of its narrative mysterious and fateful heartbreaking and charged with wonder *Ankle-Deep in Pacific Water* E. Hughes, 2024-10-15 A debut collection of lyric poems interrogating the generational implications of the Great Migration to Northern California *Ankle Deep in Pacific Water* a debut collection by E. Hughes marries personal narrative with historical excavation to articulate the intricacies of Black familial love life and pain Tracing the experiences of a southern Black family their migration to the San Francisco Bay area and the persistent anti-Blackness there despite the state's insistence that it is was not involved in the US projects of imperialism or chattel slavery Hughes illuminates the intersections of history grief and violence At the book's heart is *The Accounts of Mammy Pleasant* a persona poem written from the perspective of the formerly enslaved abolitionist and financier Mary Ellen Pleasant who is thought to have helped fund John Brown's raid on Harper's Ferry Alongside this historical account Hughes deftly weaves in the story of a contemporary Black family navigating the generational trauma resulting from the Great Migration domestic violence and racialized violence familial love and loyalty the work of parenting and the work of being a child *Ankle Deep in Pacific Water* reveals in its pages that while many things have changed over time ultimately the question of what freedom meant and looked like for Black people in the early 20th century retains the same murkiness and contradictions for Black people today *The Splash of Words* Mark Oakley, 2016-08-08 Whether you love poetry or haven't read it since school *The Splash of Words* will help you rediscover poetry's power to startle challenge and reframe your vision It includes a selection of poems each accompanied by a reflection exploring why poetry is vital to faith **The Planetary Clock** Paul Giles, 2021-02-11 The theme of *The Planetary Clock* is the representation of time in postmodern culture and the way temporality as a global phenomenon manifests itself differently across an antipodean axis To trace postmodernism in an expansive spatial and temporal arc from its formal experimentation in the 1960s to environmental concerns in the twenty-first century is to describe a richer and more complex version of this

cultural phenomenon Exploring different scales of time from a Southern Hemisphere perspective with a special emphasis on issues of Indigeneity and the Anthropocene The Planetary Clock offers a wide ranging revisionist account of postmodernism reinterpreting literature film music and visual art of the post 1960 period within a planetary framework By bringing the culture of Australia and New Zealand into dialogue with other Western narratives it suggests how an antipodean impulse involving the transposition of the world into different spatial and temporal dimensions has long been an integral if generally occluded aspect of postmodernism Taking its title from a Florentine clock designed in 1510 to measure worldly time alongside the rotation of the planets The Planetary Clock ranges across well known American postmodernists John Barth Toni Morrison to more recent science fiction writers Octavia Butler Richard Powers while bringing the US tradition into juxtaposition with both its English Philip Larkin Ian McEwan and Australian Les Murray Alexis Wright counterparts By aligning cultural postmodernism with music Messiaen Ligeti Birtwistle the visual arts Hockney Blackman Fiona Hall and cinema Rohmer Haneke Tarantino this volume enlarges our understanding of global postmodernism for the twenty first century

Poems 1962-2012 Louise Glück,2014-07-08 WINNER OF THE NOBEL PRIZE IN LITERATURE The collected works of the inimitable Pulitzer Prize winning poet It is the astonishment of Louise Glück s poetry that it resists collection With each successive book her drive to leave behind what came before has grown more fierce the force of her gaze fixed on what has yet to be imagined She invented a form to accommodate this need the book length sequence of poems like a landscape seen from above a novel with lacunae opening onto the unspeakable The reiterated yet endlessly transfigured elements in this landscape Persephone a copper beech a mother and father and sister a garden a husband and son a horse a dog a field on fire a mountain persistently emerge and reappear with the dark energy of the inevitable shot through with the bright aspect of things new made From the outset Come here Come here little one Glück s voice has addressed us with deceptive simplicity the poems in lines so clear we do not see the intervening fathoms From within the earth s bitter disgrace coldness and barrenness my friend the moon rises she is beautiful tonight but when is she not beautiful To read these books together is to understand the governing paradox of a life lived in the body and of the work wrested from it the one fated to die and the other to endure

The Leaving Season Kelly McMasters,2023-05-09 One of the most beautifully written books

I've ever read Kelly McMasters is a literary giant Zibby Owens *Good Morning America* A memoir in intimate essays navigating marriage and motherhood art and ambition grief and nostalgia and the elusive concept of home Kelly McMasters found herself in her midthirties living her fantasy she'd moved with her husband a painter from New York City to rural Pennsylvania where their children roamed idyllic acres in rainboots and diapers The pastoral landscape and the bookshop they opened were restorative at first for her and her marriage But soon she was quietly plotting her escape In *The Leaving Season* McMasters chronicles the heady rush of falling in love and carving out a life in the city the slow dissolution of her relationship in an isolated farmhouse and the complexities of making a new home for herself and her children as a single parent She delves into the tricky and often devastating balance between seeing and being seen loss and longing desire and doubt and the paradox of leaving what you love in order to survive Whether considering masculinity in the countryside through the life of a freemartin calf the vulnerability of new motherhood in the wake of a car crash or the power of community pulsing through an independent bookshop *The Leaving Season* finds in every ending a new beginning

The Nobel Prizes 2020 Karl Grandin, 2024-02-21 The Nobel Prizes is the official yearbook of the Nobel Foundation This edition provides extensive information about the 2020 laureates their Nobel Prize lectures and their autobiographies as well as presentation speeches and background about the Nobel festivities Published on behalf of the Nobel Foundation

Ararat Louise Glück, 2025-04-15 A new edition of the Nobel laureate's searing sixth collection of poetry about the myth of a happy family The New York Review of Books Louise Glück the winner of the 2020 Nobel Prize in Literature was an era-defining poet one who was innovative brave and wholly individual Her work has left an indelible mark on the literature of our nation and of the world As Dan Chiasson wrote in *The New Yorker* This voice is not going to go away Ararat the great poet's sixth collection of poetry was originally published in 1992 Now in this new edition the impact of the work is felt anew Glück created a ruthlessly probing family portrait and these poems confront with devastating irony the difficulties and intricacies of a daughter's relationship to her father and mother The result is a blinding and subtle collection in which the wonder comes silently quick as an electric shock from a broken cord we hardly know what's hit us

Winter Recipes from the Collective Louise Glück, 2025-08-22 WINNER OF THE NOBEL PRIZE IN LITERATURE A haunting book by a poet whose voice speaks of all our lifetimes Louise Glück's thirteenth book is among her most haunting Here as in *the Wild Iris* there is a chorus but the speakers are entirely human simultaneously spectral and ancient *Winter Recipes from the Collective* is chamber music an invitation into that privileged realm small enough for the individual instrument to make itself heard dolente its line sustained carried and then taken up by the next instrument spirited animoso while at the same time being large enough to contain a whole lifetime the inconceivable gifts and losses of old age the little princesses rattling in the back of a car an abandoned passport the ingredients of an invigorating winter sandwich a sister's death the joyful presence of the sun its brightness measured by the darkness it casts Some of you will know what I mean the poet says by which she means some of you will

follow me Hers is the sustaining presence the voice containing all our lifetimes all the worlds each more beautiful than the last This magnificent book couldn't have been written by anyone else nor could it have been written by the poet at any other time in her life
