Goldman Sachs Of The Year:

What Happened to Goldman Sachs Steven Mandis, 2013-10-01 This is the story of the slow evolution of Goldman Sachs addressing why and how the firm changed from an ethical standard to a legal one as it grew to be a leading global corporation In *What Happened to Goldman Sachs* Steven G Mandis uncovers the forces behind what he calls Goldman s organizational drift Drawing from his firsthand experience sociological research analysis of SEC congressional and other filings and a wide array of interviews with former clients detractors and current and former partners Mandis uncovers the pressures that forced Goldman to slowly drift away from the very principles on which its reputation was built Mandis evaluates what made Goldman Sachs so successful in the first place how it responded to pressures to grow why it moved away from the values and partnership culture that sustained it for so many years what forces accelerated this drift and why insiders can t or won t recognize this crucial change Combining insightful analysis with engaging storytelling Mandis has written an insider s history that offers invaluable perspectives to business leaders interested in understanding and managing organizational drift in their own firms
