Reading, Language, and Literacy Fran Lehr, Jean Osborn, 2012-10-12 The impetus for this book emerged from a conference that brought together publishers and reading researchers and educators for the purpose of examining the best available research evidence about what we know and what we have yet to learn about the teaching of reading and about how children learn to read The goal of the conference was to contribute to a sound research base upon which to develop classroom practices that will ensure that every American child will become fully literate Because the field is still so deeply divided over the best ways to translate belief into classroom practice the editors decided to highlight rather than gloss over these divisions It is hoped that the papers in this volume will promote thought and discussion that will lead to action in improving reading instruction for children now and into the new century

*Hartford's Ann Plato and the Native Borders of Identity* Ron Welburn, 2015-04-21 Upholds Ann Plato as a noteworthy nineteenth century writer while reexamining her life and writing from an American Indian perspective Who was Ann Plato Apart from circumstantial evidence there s little information about the author of *Essays Including Biographies and Miscellaneous Pieces in Prose and Poetry* published in 1841 Plato lived in a milieu of colored Hartford Connecticut in the early nineteenth century Although long believed to have been African American herself she may also Ron Welburn argues have been American Indian like the father in her poem *The Natives of America* Combining literary criticism ethnohistory and social history Welburn uses Plato as an example of how Indians in the Long Island Sound region adapted and prevailed despite the contemporary rhetoric of Indian disappearance This study seeks to raise Plato s profile as an author as well as to highlight the dynamics of Indian resistance and isolation

that have contributed to her enigmatic status as a literary figure Hartford's Ann Plato and the Native Borders of Identity is a brilliant and fascinatingly imaginative work of research and speculation The research is forbiddingly wide deep learned determined and resourceful The book is fascinating as a work of speculative scholarship not only about Ann Plato but also about eighteenth and nineteenth century New England and Long Island American Indians who continued to live more or less in the region of their ancestors and often continued to uphold Indian culture while at the same time disappearing from the written record Welburn's work will speak to audiences interested in American Indian studies New England history nineteenth century African American history and literary studies and the history of American poetry Robert Dale Parker editor of *Changing Is Not Vanishing A Collection of American Indian Poetry to 1930*      **The SAGE Encyclopedia of**
