Young People's Understandings of Men's Violence Against Women Nancy Lombard,2016-03-09 Globally nationally and locally men s violence against women is an endemic social problem and an enduring human rights issue Unlike

men who are most likely to be victims of stranger assaults and violence official data shows that women are most likely to be attacked beaten raped and killed by men known to them either partners or family members Research has maintained that to challenge and prevent men s violence against women changing the attitudes and behaviour of young people is essential This ground breaking book presents the first investigation into what younger people think about men s violence against women It does this by locating their constructions and understandings within the temporal and spatial location of childhood Through challenging the perception that young people are too young to know about violence or to offer opinions on it Nancy Lombard demonstrates the ways to talk to younger people about men s violence Through confronting preconceptions of younger people s existing knowledge capabilities and understanding she demonstrates that this is a subject which young people can confidently discuss

Understanding Teenagers Tony Humphreys,Helen Ruddell,2012-08-17 Helping young people towards maturity

demands that they be mature themselves Without such maturity it is difficult to relate fully to the challenging behaviour of some adolescents A relationship that is genuine non judgemental compassionate empathic and unconditionally loving is necessary in order to resolve conflicts that so often arise between parents other adults and teenagers The authors emphasise that no matter how problematic a young person s behaviour may be there is a cause or explanation appreciation of this goes a long way towards helping young people to resolve that which is troubling them The book is structured so that each chapter stands on its own allowing the reader to focus on specific issues that may arise in their own and their teenagers lives
