## **Good News For People Of All Nations:**

To Bring the Good News to All Nations Lauren Frances Turek, 2020-05-15 When American evangelicals flocked to Latin America Africa Asia and Eastern Europe in the late twentieth century to fulfill their Biblical mandate for global evangelism their experiences abroad led them to engage more deeply in foreign policy activism at home Lauren Frances Turek tracks these trends and illuminates the complex and significant ways in which religion shaped America's role in the late Cold War world In *To Bring the Good News to All Nations* she examines the growth and influence of Christian foreign policy lobbying groups in the United States beginning in the 1970s assesses the effectiveness of Christian efforts to attain foreign aid for favored regimes and considers how those same groups promoted the imposition of economic and diplomatic sanctions on those nations that stifled evangelism Using archival materials from both religious and government sources *To Bring the Good News to All Nations* links the development of evangelical foreign policy lobbying to the overseas missionary agenda Turek's case studies Guatemala South Africa and the Soviet Union reveal the extent of Christian influence on American foreign policy from the late 1970s through the 1990s Evangelical policy work also reshaped the lives of Christians overseas and contributed to a reorientation of U.S. human rights policy Efforts to promote global evangelism and support foreign brethren led activists to push Congress to grant aid to favored yet repressive regimes in countries such as Guatemala while imposing economic and diplomatic sanctions on nations that persecuted Christians such as the Soviet Union This advocacy shifted the definitions and priorities of U.S. human rights policies with lasting repercussions that can be traced into the twenty-first century

**Is the Gospel Good News?** Stanley E. Porter, Hughson T. Ong, 2019-05-02 Is the Gospel Good News was the theme of the 2015 H. H. Bingham Colloquium at McMaster Divinity College in Hamilton Ontario Canada held on June 4-5 The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points Bible theology and crucial topics The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history This gospel is about the coming of Jesus Christ in fulfillment of God's will for humanity This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world The papers in the Bible section discuss this good news from both Old and New Testament passages and themes The papers in the Theology section address theological topics in light of the question of what constitutes the good news Finally the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers resulting in a stimulating discussion of the topic of the gospel as good news

Good News for Common Goods Wes Markofski, 2023 What is the relationship between evangelical Christianity and democracy in America In *Good News for Common Goods* sociologist Wes Markofski explores how multicultural evangelicals across the United States are addressing race poverty inequality politics

and religious and cultural difference in America's increasingly plural and polarized public arena. Based on extensive original research on multicultural evangelicals active in faith-based community organizing, community development, political advocacy, and public service organizations across the country, including over 90 in-depth interviews with racially diverse evangelical and non-evangelical activists, community leaders, and neighborhood residents, Markofski shows how the varieties of public religion practiced by evangelical Christians are not always bad news for non-evangelicals, people of color, and those advancing ethical democracy in the United States. Markofski argues that multicultural evangelicals can and do work with others across race, class, religious, and political lines to achieve common good solutions to public problems and that they can do so without abandoning their own distinctive convictions and identities or demanding that others do so. Just as ethical democracy calls for a more reflexive evangelicalism, it also calls for a more reflexive secularism and progressivism.

**The Jerusalem Sinner Saved or Good News for The Vilest of Men** John Bunyan, 2025-06-19

**The Jerusalem Sinner Saved** by John Bunyan is an extraordinary piece of Christian literature that serves as an illuminating testament to the boundless grace and mercy available to even the most wretched of souls. Written with both passion and conviction, this powerful work elaborates on the fundamental principles of spiritual redemption and the transformative potential of divine forgiveness. In a world often rapid with judgment, Bunyan provides a refreshing message of hope, revealing that no sin is too great to be absolved through sincere repentance and faith. Bunyan's exploration is crafted with theological insights that encourage readers to reflect deeply on their own spiritual journeys. Through rich biblical allusions and heartfelt narratives, he paints a vivid picture of salvation, making it accessible not only to the righteous but also to the vilest of men. His eloquent prose invites individuals to understand that the pathway to righteousness is paved with grace and that every soul, regardless of past transgressions, can find reconciliation with God. As readers delve into the themes of grace and forgiveness, they will encounter Bunyan's profound emphasis on repentance as a crucial step toward spiritual liberation. He articulates a clear message that true transformation does not come from self-righteousness or deeds but from an honest acknowledgment of one's sins and a heartfelt turning toward Christ. The narratives are both personal and universal, highlighting that this journey from sin to salvation is a common human experience relevant for all who seek renewal in their lives. Moreover, *The Jerusalem Sinner Saved* resonates as a devotional reading that complements personal study of scripture. Bunyan encourages readers to examine their hearts and minds, fostering a deep, genuine spiritual awakening that can incite meaningful change. He illustrates that through faith and reliance on God's grace, individuals can experience moral transformation, a testament to the idea that hope is always within reach. In a time when skepticism often clouds faith, Bunyan's work serves as an evocative reminder of the power of divine mercy. The book addresses the struggle with faith and doubt in a practical and relatable manner, offering strength to those who may question their worthiness of God's love and forgiveness. Through pastoral care in his writing, Bunyan acts as a guide, leading seekers toward an understanding that in Christ, all are welcome, regardless of their

past This timeless work continues to hold relevance in contemporary discourse on spirituality and ethics Bunyan's belief that God's love is unwavering and inclusive challenges readers across generations to assess their perceptions of faith repentance and community As Bunyan ultimately conveys the message of salvation speaks volumes affirming that no one is beyond redemption and that everyone has the opportunity to experience the joy of being set free from sin In conclusion *The Jerusalem Sinner Saved* stands as a classic in Christian literature exemplifying Bunyan's exceptional ability to communicate profound theological truths through captivating storytelling It invites readers to embrace the grace of God wholeheartedly and encourages all to step forth with confidence on the path to salvation This work is not just a call to repentance it is an invitation to enter the abundant life that awaits anyone willing to believe in the good news of the Gospel
