

JUST SHORT

A loss at regionals prevents the team's trip to the state tournament.

The tennis boys prepare for their last match, hoping to continue into state. But their participation is left unanswered.

After an intense run at regionals, two players were close to getting the opportunity to continue their season. Single players Joshua Hunt '18 and Cody Carline '17 both ended in 3rd place in their region. "I kind of think that I made third and not the top two; I was so close. I'm a freshman and made the top three through," said Hunt looking forward to next year. Players planned to work even harder on their skills. "I just think I need to work harder at it. I'm going to work with my brother and

do more winter tournaments," said Carline.

Just barely missing state allowed the players that they needed to improve their skills in order to come. "I realize we want to step up my game so I can go to state next year," said Hunt. "I expected my team to make it to state, but I didn't know what happened. I guess we didn't perform the best we could have," said Tyler Griffin '17.

There is work to do up to your arm pit and your pocket."

KING OF THE COURT

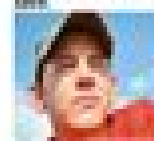

After four consecutive years on Varsity, Ethan Wood '17 makes it to the top.

In his fourth season as the number one singles player on the team, Ethan Wood '17 says that the court says that he's got the edge. "I think the team spirit and the camaraderie is what we're looking for," said Wood. "I'm looking for the team spirit to be the best player in the world."

RUNNING OUT OF TIME

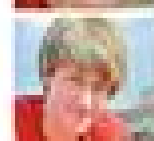

Team tradition requires all players to run a mile for every minute they are late.

The tradition of running a mile for every minute late is a tradition that has been around for a long time. "I think it's a tradition that has been around for a long time," said Wood. "I think it's a tradition that has been around for a long time."
