

# End of School Letter to Students

I'm glad I was your teacher,  
I've come to love you so.  
I can't believe the end is here,  
I hate to see you go.  
Remember all the fun we had  
in all the things we did.  
But most of all, remember...  
You're a VERY special kid!

**Underneath It All** Cassandra Carr, Professional hockey player Rob D Amico is confused when he s chosen to take part in a reading program for inner city students While athletes are role models he tends toward the gregarious and playful side rather than a studious bent Despite the lack of funding plaguing her inner

city district every day kindergarten teacher Alaina Rossa ensures her students learn something to prepare them for life At first she s unsure how a hockey player will help her achieve that goal When Rob visits Alaina s class for the first time they welcome him with open arms despite the lack of even the basic supplies for their education He takes it upon himself to get the students what they need sweeping Alaina up in the excitement As time goes by and she learns more about Rob Alaina finds her heart opening to him Is it possible her soul mate could be found in a world so different from her own And for Rob the last person he thought he d find forever love with was an elementary school teacher wearing clothes permanently stained with finger paint But when you re playing for keeps sometimes you have to get a little dirty *Gal in the Gulf* Vanessa Molina,2016-11-08 With the media blasting out horror stories about the Middle East and the Muslim faith this American teacher went to work in Kuwait with fears and doubts most people in the West have about that area of the world From the smells of the food to the goofiness of her friends and the experiences of mingling with an international community the author recounts personal and spiritual exposure to a world that is often feared and misunderstood by the Western world **Dear Linda** Anonymous,2001 Ten years ago I became the adoptive father of a beautiful baby girl The joy of nurturing my daughter to the brink of her teenage years has been the most fulfilling time of my life She also has given me the noblest title of all I am a father Often during the past decade my thoughts have returned to the memory of a meeting with a young pregnant girl A young girl whose ultimate loving decision changed the course of my life I wonder if her thoughts reach across the distance to reflect about her birth child and me Is she emotionally troubled Is she at ease with her decision Does she need to be comforted by the knowledge that her birth child is being raised in a loving and stimulated environment Dear Linda is an open letter to the birthmother of my child But it is more It is an open letter to all birthmothers from the perspective of an adoptive father Not only does it express profound thanks for a mature and heart wrenching decision it expresses love Dear Linda details the events of the past eleven years Many times emotional and oftentimes humorous the reader is taken from the tribulations of a couple s infertility to the rigors of the adoption process Later the life of a special girl is chronicled This revealing glimpse of my daughter s life will erase any lingering doubts that the birthmother may harbor about her decision One learns that a selfless loving act has positively impacted not only a child and a couple but also an extended family The birthmother will learn that she touched the lives of several people in ways that she initially couldn t have imagined **The Great Typo Hunt** Jeff Deck,Benjamin D. Herson,2011-10-04 The signs of the times are missing apostrophes The world needed a hero but how would an editor with no off switch answer the call For Jeff Deck the writing was literally on the wall NO TRESSPASSING In that moment his greater purpose became clear Dark hordes of typos had descended upon civilization and only he could wield the marker to defeat them Recruiting his friend Benjamin and other valiant companions he created the Typo Eradication Advancement League TEAL Armed with markers chalk and correction fluid they circumnavigated America righting the glaring errors displayed in grocery stores museums malls restaurants mini golf courses beaches and

even a national park Jeff and Benjamin championed the cause of clear communication blogging about their adventures transforming horror into horror it s into its and coconunut into coconut But at the Grand Canyon they took one correction too far fixing the bad grammar in a fake Native American watchtower The government charged them with defacing federal property and summoned them to court with a typo ridden complaint that claimed that they had violated criminal statues Now the press turned these paragons of punctuation into grammar vigilantes airing errors about their errant errand The radiant dream of TEAL would not fade though Beneath all those misspelled words and mislaid apostrophes Jeff and Benjamin unearthed deeper dilemmas about education race history and how we communicate Ultimately their typo hunting journey tells a larger story not just of proper punctuation but of the power of language and literacy and the importance of always taking a second look
