Gothic Pop Textures Volume1:

Gothic Pop Textures Vincenzo Sguera, 2007 This book provides graphic designers artists stylists and anyone in need of artistic inspiration with more than 100 ready to use designs in the Gothic style from Neo floral soft coloured patterns to Liberty style black and white textures that are suitable for a multitude of uses from advertising to fabric design Created with unrivalled care passion and dedication this practical volume provides graphic designers artists stylists and anyone in need of artistic inspiration with more than 100 ready to use designs Gothic Pop Textures 2 presents designs in the new Gothic style from Neo floral soft coloured patterns to Liberty style black and white textures that are suitable for a multitude of uses from advertising to fabric design Included with this design catalogue is a Windows and Mac compatible DVD that features all of the designs in super high resolution full colour and 100 per cent size ready to reproduce in perfect alignment It is not always possible for taste to follow a straight road because it is linked to the social and political situations in which we live Man's need to be more introspective attracted by mysticism and non rational figures full of ancient spiritual meaning has produced a look ever present after 68 the dark look which took several roads up to the present time A gothic look made up of involutions forms that are complex harsh excessive lacking colour and very stylised This dark look has evolved into a new liberty lightening the original heaviness for example bringing a skull to be associated with a spray of flowers The gloominess of the times has felt the need to become lighter I have synthesised these stylistic features in Gothic Pop and the books of this series In Gothic Pop Textures Vol 2 I have tried to raise the level of disorder and creativity More varied and less elegant it is fresh and young for a more aggressive target than the first volume The complexity of the icons and geometries made of circles lines or optical fillings has determined its style also arrows and stars hearts and skulls a whole universe that can sometimes be found in the tattoos that the young and not so young love so much Every texture is chaos in itself where creative people who like to be stimulated and be daring can fish out something a fragment to use in a project of theirs I could say that there has been a jump in time as if we had travelled into the future hypothesising a new graphic scenario A book where new discoveries can be made on every reading Vincenzo Sguera AUTHOR Vincenzo Sguera an Italian architect has been working in the field of design fashion textiles and accessories directing several creative studios and developing products for many companies at an international level since 1977 In 2003 he founded Arkivia Books and has since worked as an author and publisher SELLING POINTS A fashion book made by modular textures suitable for stylists designers and art directors This collection has a gothic pop theme and new liberty style 130 designs saved in 5 ways 650 files in all the use is free with no royalties 1 free DVD included for WINDOWS and MAC Vector and Bitmap Hi res Files ready for production They can be used with many graphic softwares such as Illustrator or Photoshop ILLUSTRATIONS 130 colour **War and Death in the Music of George Crumb** Abigail Shupe, 2022-09-02 This book studies George Crumb's The Winds of Destiny 2004 and Black Angels 1970 as artifacts of collective memory and cultural trauma It situates these two pieces in Crumb's output

and unpacks the complex methodologies needed to understand these pieces as contributions and challenges to traditional narratives of the Civil War and the Vietnam War The Winds of Destiny is shown to be a critical commentary on the legacy of American wars and militarism both concepts crucial to American identity The Winds of Destiny also acts as an ironic war memorial as a means of critiquing such concepts Black Angels has long been associated with the Vietnam War This book shows how this association began and how it endures through connections to iconic Vietnam War media including films and books Together these analyses show the legacy of trauma in American collective memory which is in a continuous crisis Crumb s musical critiques point to a need to resist conventional narratives and to begin to heal trauma on a collective level This book will be of interest to students of contemporary American music American studies and memory studies It benefits readers by newly situating Crumb s music within these three fields of study **CMJ New Music Report** ,1997-11-10 CMJ
