His Captive Miracle:

The Seventeen Second Miracle Jason F. Wright, 2010-09-28 From the New York Times bestselling author of *The Wednesday Letters* and *The Cross Gardener* a story of small kindnesses and life changing miracles Seventeen seconds can change a life forever This is what Rex Connor learned on a gorgeous summer afternoon in 1970 when as a lifeguard he diverted his gaze for seventeen seconds and tragedy occurred Forty years later the waves of that day still ripple through the lives of countless people including his son Cole Cole Connor has become a patient teacher and now he has invited three struggling teenagers to visit him on his front porch to learn about Rex Connor and the Seventeen Second Miracle Together they will learn how Rex Connor could have allowed seventeen seconds to destroy him but instead he chose to live every day believing the smallest of acts could change the world for good And the students each with their own secrets and private pains will begin to understand that even tragedy brings lessons Even pain brings comfort Even death brings miracles A seventeen second miracle can change a life if you let it

The Last Miracle M. P. Shiel, 2019-12-06 In M P Shiel's *The Last Miracle* readers are drawn into a mesmerizing synthesis of fantasy and existential inquiry seamlessly weaving elements of speculative fiction with profound philosophical themes Set against a vividly rendered almost surreal backdrop the narrative explores the boundaries between dream and reality ultimately questioning the essence of human desire and the fleeting nature of miracles Shiel's prose features lush descriptions and an intricate syntax that reflect the influences of the Gothic tradition while simultaneously displaying an innovative flair characteristic of early 20th century literature M P Shiel a significant figure in the realm of weird fiction was known for his fascination with the metaphysical and the uncanny His diverse experiences from living in the Caribbean to navigating the literary society of Victorian London informed his exploration of supernatural realms Shiel's own life experiences and philosophical contemplations on fate and the human condition resonate throughout this work leading him to craft a narrative that pushes the boundaries of conventional storytelling Readers seeking an imaginative and thought provoking experience will find *The Last Miracle* an essential addition to their literary repertoire Rich in symbolism and layered meanings this work invites contemplation serving both as an escape into the fantastical and as a mirror reflecting genuine human struggles Shiel's masterful storytelling ensures that each page offers a captivating reflection on the nature of miracles and the human spirit

Dark Miracle Stephen R. George, 2016-08-27 Miracles were happening in Stanhope Minnesota Impossible cures amazing recoveries All due to a pool of pitch black water that had bubbled up mysteriously from the depths of the earth Sometimes it glowed with a beckoning light Sometimes it reflected only glittering darkness It always gave the gift of life but what would it demand in return Ten year old Allison Kent knew her parents hadn't really believed a dip in the famous pool would make her well again They were just pretending so she wouldn't be scared But it did work and she was better except for the cruel voices in her head that whispered of retribution and death And the dangerous uncontrollable powers she had over the world around her Lately she was afraid that whatever lived beneath the

water had healed her for an evil purpose all its own *Gleanings From Elisha, His Life and Miracles* A.W Pink, Rev Terry Kulakowski, Editor, 2015-11-29 That Which Occupies the central and dominant place in what the Spirit has been pleased to record of the life of Elisha is the miracles performed by and connected with him Far more miracles were wrought by him or were granted in answer to his prayers than any other of the Old Testament prophets The character of Elisha's mission and ministry was in thorough keeping with Israel's condition at that time The very fact that these miracles were needed indicates the state into which Israel had fallen A W Pink unfolds the life and miracles of Elisha in 30 power packed Chapters of this famous Prophet of God **The miracles of Christ** Jesus Christ, 1843 The Miracles of Christ , 1844 **The Miracle of Intervale Avenue** Jack Kugelmass, 1996 Located in the ravaged urban landscape of the South Bronx the Intervale Jewish Center is the last synagogue still in regular use in a rapidly changing neighborhood This unique congregation represents the struggle of individuals to maintain their dignity independence and faith over the years In *The Miracle of Intervale Avenue* Jack Kugelmass tells the inspiring story of a community that continues to see the area as its own as a place they steadfastly refuse to abandon despite a major shift in the ethnic demography of the South Bronx and an increase in violent crime The Miracle of Intervale Avenue is the story of Moishe Sacks the Intervale Jewish Center's charismatic leader acting rabbi master baker and storyteller But it is also the larger story of a small community of primarily elderly Jews and of the human quest for meaning in the face of death A classic ethnography of American Jewish life *The Miracle of Intervale Avenue* has now been brought up to date In a new closing chapter and epilogue Kugelmass shows how the congregation has adapted to the radical changes in the neighborhood bringing closure to this poignant work Now with 38 photographs of the community over the years the book covers the slow economic resurgence of the South Bronx and discusses the revitalizing effect of the congregation's new members including blacks and Latinos The Miracles of our Lord Edward Walker, 2023-05-11 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Amazing Miracles** Anil Chandra, 1998 A priest is asked by some villagers to give his blessings to a dying woman He does The woman revives miraculously A Few days later the blessings of the priest revive two other people an old man and a cripple What caused these miracles Only in the last paragraphs of *The Amazing Miracles* would one get the answer **A Miracle in Stone - Or, The Great Pyramid of Egypt** Joseph Augustus Seiss, 2018-02-22 Uncover the mysteries of the Great Pyramid of Giza with Joseph Seiss's enduring and thought provoking classic First published in 1877 *A Miracle in Stone* is an extensive treatise on the Great Pyramid of Giza written by the renowned theologian and pyramidologist Joseph Augustus Seiss Widely regarded as a foundational text in the field of pyramidology this fascinating work explores the pyramid's scientific features historical significance and its possible connections to biblical narratives Joseph Augustus Seiss 1823 1904 an American theologian and Lutheran minister gained fame for his pioneering

contributions to pyramidology and dispensationalism His exploration of the Great Pyramid s mysteries continues to captivate readers interested in ancient architecture religious symbolism and enduring enigmas Now republished in a modern high quality edition A Miracle in Stone remains a timeless resource for scholars enthusiasts and anyone intrigued by the Great Pyramid s legacy Add this compelling work to your collection and explore the mysteries of one of the world s greatest wonders *The Story of Jesus* Roy A. Harrisville,2020-08-28 This book written for college and seminary age students is the distillation of reflection on the life and career of Jesus of Nazareth for over three decades Such reflection needs no legitimizing since preoccupation with Jesus of Nazareth continues in one form or another till the present day The arrangement of the pieces and fragments which make up the mosaic in part pursue the usual chronological order as appears in most editions of the Bible But the interpretation of events within each sequence are this author s own In discussion with early or contemporary scholars the text may reflect agreement or disagreement but assumes the right to and responsibility for a specific point of view As indicated the book is a mosaic comprised of pieces and fragments It in no way intends to match the often massive attempts at describing Jesus of Nazareth that have been published over the centuries Like a mosaic it will show wear and tear but it will be sufficient to indicate to the reader precisely whose face appears amid all those fragments and pieces and enough to awaken reflection on his life and career

The Miracles of Our Lord. A Course of Schoolroom Lectures Edward Walker (D.C.L., Rector of Cheltenham.),1872 **Krishna Deities and Their Miracles** Stephen Knapp,2021-01-01 Krishna Deities and Their Miracles include traditional pastimes that have been recorded from years ago as well as those that are more recent It shows how great or even minor devotees can have experiences with Krishna as long as they have two qualities which is great faith and love A variety of situations are provided in these Book which shows the many ways that the Lord can reveal Himself and the favor that is shown by Him to those who worship Him

The Jewish Context of Jesus' Miracles Eric Eve,2002-08-01 Scholarly literature on Jesus has often attempted to relate his miracles to their Jewish context but that context has not been surveyed in its own right This volume fills that gap by examining both the ideas on miracle in Second Temple literature including Josephus Philo the Dead Sea Scrolls Apocrypha and Pseudepigrapha and the evidence for contemporary Jewish miracle workers The penultimate chapter explores insights from cultural anthropology to round out the picture obtained from the literary evidence and the study concludes that Jesus is distinctive as a miracle worker in his Jewish context while nevertheless fitting into it **Miracles and Wonders** Michael Goodich,2007-01-01 In this absorbing book Michael Goodich explores the changing perception of the miracle in medieval Western society He employs a wealth of primary sources including canonization dossiers hagiographical texts theological treatises and sermons to examine the Christian church s desire to create a sounder legal definition of the miracle

The Miracle Ministry of John G. Lake John G. Lake,2023-09-05 Dare to Believe God for Greater Things You may have seen a few miracles or experienced breakthroughs in prayer but maybe it s time to take your faith to a new level of expectation Let these

extraordinary testimonies and quotes from the life of Dr John G Lake inspire you to believe God for more than ever before In Adventures in God Lake **The King in His Beauty: Meditations on the Miracles of Christ** Michael Babcock,2021-12-22 In the fullness of time God sent His only begotten Son Jesus to sit on David s throne as a conquering cosmic king He demonstrated His kingly power and wisdom in a variety of ways but none so spectacularly as by His many miracles These miracles vanquished demonic forces overcame nature removed the curse s sting and crushed the serpent s head through His resurrection from the dead However too often these miracles are only appreciated as historical events or as a compilation of isolated stories In The King in His Beauty Michael Babcock helps readers understand the relevancy of those miracles as redemptive signs that reveal the King in all His salvific splendor Each miracle is part of the grand message of new creation **Counting the Miracles: Jewish Thought, Mysticism, and the Arts from Late Antiquity to the Present** Silvana Greco,Judith Olszowy-Schlanger,2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual qabalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society In this regard the volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance However the life of Jews in the Diaspora did not always take place in a context of peaceful integration It was punctuated by harsh confrontations and persecution Finally the book will illustrate how precisely during the darkest and most tragic period of the 20th century Jewish culture was an important tool of resistance and struggle against Nazi Fascism *Miracles of Our Lord* George MacDonald,2019-11-22 In *Miracles of Our Lord* George MacDonald presents a profound exploration of Christ s miracles framing them not merely as supernatural acts but as transformative invitations to deeper faith and understanding Written in an accessible yet poetic prose MacDonald s narrative style seamlessly intertwines theological reflection with imaginative storytelling Set against the backdrop of Victorian spirituality this work is both a literary achievement and a devotional resource that encourages readers to reflect on the mystical dimensions of belief and the human experience of the divine George MacDonald a pivotal figure in the development of modern fantasy literature was deeply influenced by his Calvinist upbringing and later spiritual discoveries His commitment to thoughtful engagement with Christian themes is evident in his prolific body of work which includes novels poems and essays MacDonald s vision of a God who is both accessible and intimately involved in the fabric of everyday life shapes the narrative and theological underpinnings of this book emphasizing the continuous relevance of Christ s works today I highly recommend *Miracles of Our Lord* to anyone seeking a deeper understanding of faith and the transformative power of divine intervention

With its blend of literary grace and theological insight this book will not only challenge readers perceptions of miracles but also inspire personal reflection and growth in their spiritual journeys *Discourses on the Principal Miracles of Our Lord*
James Knight, 1831
