

History Of Baseball In Various Countries Sport Essay Example

A Brief History of Baseball and the Dominican Republic

Long earlier David Ortiz and Pedro Martinez were shattering batting and pitching records, or baseball greats like the Alou brothers and Manny Mota were going iconic baseball figures, the Dominican Republic was already presenting a typical trade name of baseball to the universe. The Dominican Republic has a long baseball history, which has merely become richer in recent old ages.

For over 100 old ages, baseball has been at the centre of cultural life in the Dominican Republic. Though the beginnings of baseball in the Dominican are n't precisely known, historians suggest that baseball foremost came to the island around the 1880s. Though it is a historical misconception that American Marines brought the game to the island during the 1916 invasion, the United States did play an built-in, though indirect, function in conveying baseball here. The United States brought the game of baseball to Cuba in the mid-1860s. It is said that it was Cuban immigrants, flying their state 's ten-year war, who spread the game throughout the Caribbean, including the Dominican Republic. The first baseball squads on the island were formed either in the twelvemonth 1894 or 1895.

Finally four squads were formed, going the oldest, and establishing organisations of baseball in the state. Los Tigres del Licey (The Tigers) was founded in Santo Domingo (in order to vie with Club Ozama Y Club Nuevo) in 1907. Over the following 15 old ages Licey became so dominant that an understanding was made among the three other vling squads (Los Muchachos, San Carlos, and Delco Light) to organize a new squad, comprised of their best participants, in order to crush Licey. That squad was Los Leones del Escogido. Las Estrellas Orientales (Eastern Stars) was founded in San Pedro in the twelvemonth 1911. And subsequently, as mentioned, in 1921, Los Leones del Escogido (Lions of the Chosen One) was founded in Santo Domingo. Sandino, who would go one of the more dominant squads in the conference, was founded in 1921, (Sandino was subsequently renamed Las Aguilas Cibaenas, (The Eagles, in 1936) .

After its debut in the late 1880s the athletics 's popularity rapidly spread, and by the 1920s and 30s squads from the Dominican Republic were playing other Caribbean states, every bit good as squads from North America.

As with everything on the island, Dictator Rafael Leonidas Trujillo, who became president of the Republic in 1930, through military action, finally controlled all of Dominican baseball. Trujillo oversaw the modernisation of the Dominican Republic, and undertook the modernisation of baseball as one of these undertakings. He built the first major baseball bowl, and provided an avenue for the athletics to go the state 's national interest. With the aid of the dictator, and his support of the game, this epoch became important in supplying the economic and
