Hitchhiker M. J. Simpson, 2003 Douglas Adams will be most fondly remembered for the *Hitchhiker's Guide to the Galaxy* series and its idiosyncratic humour but this biography covers his life from his days as a struggling sketch writer to his untimely death at the age of 49 in May 2001 Towards a Hitchhiker's Guide for Wheat Workers on the Information Super Highway Cimmyt, The Hitchhiker's Guide to Life Scott Zamek, 2018-07-29 I've got a gun under my seat so don't try anything Such were the types of rides Scott Zamek encountered after chucking his job donning a backpack and hitchhiking 10 000 miles around the dusty roads of America *The Hitchhiker's Guide to Life* puts us in the passenger seat right next to the bizarre assortment of characters who pull over to offer a friendly lift from movie actors fading rock stars and gun toting criminals to drug dealers and battle hardened army lieutenants And of course none of them fail to offer their extensive views on subjects such as fire ants Doctor Who and Ghidorah the three headed monster or even a sure fire way to survive a chemical attack if you happen to lose your gas mask on zero day Yet we are constantly reminded that the nature of travel is also deeply philosophical This story is about living a life without boundaries about removing the chains forged by modern society it is a poetic account of the hidden corners of America a reminder that parts of this world have yet to succumb to the steel blade of a contractor's backhoe In the end we are left looking inside ourselves at the summits we can achieve by staying true to what lies waiting dormant within the limitless spirits of every human being
